Bertrand Du Guesclin (comte de Longueville),2004 Bertrand du Guesclin d 1380 was the most famous French soldier of his generation He made his name as a guerrilla leader in the Breton War of Succession 1341 64 and as Constable from 1370 80 played a major role in the recovery of France under Charles V Captured on at least three occasions but also victorious in several important battles his valour and dominant personality allowed him to exercise remarkable influence He twice led important expeditions to Spain where he was rewarded with lands and titles by the kings of Aragon and Castile A contemporary chivalric verse life lies at the base of all subsequent biographies but this book brings together for the first time the wealth of archival evidence relating to his career making available the full range of diplomatic administrative and financial evidence for his public and private life found in more than fifty archives in western Europe It offers a corrective to views on du Guesclin that have traditionally been derived too exclusively and often uncritically from literary sources
