HOAX of Biblical Proportions Edward Hendrie, 2023-12-22 Satan knows that God has promised to preserve his words found in the Holy Scriptures so it would be futile for him to try to destroy them Thus Satan's strategy is to obscure God's words by flooding the world with counterfeit Bibles That way he can flimflam people into reading his corrupt Bibles instead of God's infallible Scriptures The devil can then lead men astray from the true gospel This book will prove that the Authorized King James Version of the Holy Bible is given by inspiration of God It will reveal how Satan is using profane Bible versions to divert the world away from God's inspired Holy Scriptures The changes in the new Bible versions are not merely cosmetic for ease of reading as claimed by the publishers they change doctrine The new Bible versions have demoralized churches by proclaiming a different Jesus and a different gospel from what is in God's inspired King James Holy Bible

Real Philosophy for Real People Fr. Robert McTeigue, .S.J.,2020 The philosopher Paul Weiss once observed Philosophers let theories get in the way of what they and everyone else know For many the very word philosophical has become all but synonymous with impractical Yet whether we like it or not almost every corner of our lives from dissertation writing to channel surfing brings us face to face with competing philosophies and world views each claiming to tell us definitively what it means to be human How can we know which one is right And what difference does it make To Robert McTeigue S J it makes every difference in the world Consciously or not we all have a world view and it decides how we live In this book McTeigue gives a funny and invigorating crash course in practical logic metaphysics anthropology and ethics equipping readers with a tool kit for breaking down and evaluating the thought systems some good some toxic that swirl around us and even within us In McTeigue classical philosophy finds a contemporary voice accessible to the layman and engaging to the scholar Real Philosophy for Real People is an answer to those philosophies that prize theory over truth to any metaphysics that cannot account for itself to anthropologies that are unworthy of the human person and to ethical systems that reduce the great dignity and destiny of the human person As the author insists A key test of any philosophy is Can it be lived With Thomas Aquinas this book teaches not only how to know the truth but how to love it and to do it
