[Illuminating How Identities, Stereotypes and Inequalities Matter through Gender Studies](#) D.

Nicole Farris, Mary Ann Davis, D'Lane R. Compton, 2014-04-30 This collection highlights and extends contemporary women's and gender studies by presenting theoretical analyses and innovative research conceptualizations, applications and methodologies via a diverse variety of popular in the classroom topics such as changing masculinities, comedic dramatic portrayals of ethnicity and discrimination stigma and differences within mainstream media, gender stereotypes, intersections of gendered and sexual identities in social media and fundamental institutions. These topics emphasize relevant issues and nuances within popular culture, identities and perceptions and social problems and illustrate the breadth of gender studies and its applications while the diverse methodologies like historical comparisons, ethnographic, demographic and statistical analyses demonstrate its epistemology. Each chapter remains solidly founded in gender theory while making significant innovative contributions to the overall field.

The Story of Your Life Matthew West, Angela Thomas, 2011-09-01 When Grammy nominated recording artist Matthew West started writing his top selling new album *The Story of Your Life*, Sparrow 2010, he asked fans to submit personal experiences. More than 10,000 tales of hope, perseverance and redemption poured in. With friend and author Angela Thomas, West presents some of these powerful stories paired with meaningful devotions they inspired. Wendy gave birth to her daughter in jail. When all seemed hopeless, she found God and her life transformed into something beautiful. Cory, a married youth pastor, had an affair and his life fell apart. With God's mercy, he and his wife gathered the broken pieces and started again. Sheila always struggled with severe insecurity. Now she lives confidently in the purpose God has for her. This unforgettable devotional journey inspires readers to discover God as the author of their unique lives and to share the power of their story. Also available this season is a companion DVD of the same title and a standalone guide *The Story of Your Life Interactive Journey*. The DVD and book help readers individually or as part of a group study, personalize and explore more deeply the messages of God's hope and redemption in their own stories.

8 Ball Chicks Gini Sikes, 2010-11-03 Dismissed by the police as mere adjuncts to or gofers for male gangs, girl gang members are in fact often as emotionally closed off and dangerous as their male counterparts. Carrying razor blades in their mouths and guns in their jackets for defense, they initiate drive-by shootings, carry out carjackings, stomp outsiders who stumble onto or dare to enter the neighborhood, viciously retaliate against other gangs and ferociously guard their home turf. But Sikes also captures the differences that distinguish girl gangs: abortion, teen pregnancy and teen motherhood, endless beatings and the humiliation of

being forced to have sex with a lineup of male gangbangers during initiation haphazardly raising kids in a household of drugs and guns with a part time boyfriend off gangbanging himself Veteran journalist Gini Sikes spends a year in the ghettos following the lives of several key gang members in South Central Los Angeles San Antonio and Milwaukee In 8 Ball Chicks we discover the fear and desperate desire for respect and status that drive girls into gangs in the first place and the dreams and ambitions that occasionally help them to escape the catch 22 of their existence My First Book Honor
