Sheehy,2012-09-29 Sexual Assault in Canada is the first English language book in almost two decades to assess the state of sexual assault law and legal practice in Canada Gathering together feminist scholars lawyers activists and policy makers it presents a picture of the difficult issues that Canadian women face when reporting and

prosecuting sexual violence The volume addresses many themes including the systematic undermining of women who have been sexually assaulted the experiences of marginalized women and the role of women s activism It explores sexual assault in various contexts including professional sports the doctor patient relationship and residential schools And it highlights the influence of certain players in the reporting and litigation of sexual violence including health care providers social workers police lawyers and judges Sexual Assault in Canada provides both a multi faceted assessment of the progress of feminist reforms to Canadian sexual assault law and practice and articulates a myriad of new ideas proposed changes to law and inspired activist strategies This book was created to celebrate the tenth anniversary of Jane Doe s remarkable legal victory against the Toronto police for sex discrimination in the policing of rape and for negligence in failing to warn her of a serial rapist The case made legal history and motivated a new generation of feminist activists This book honours her pioneering work by reflecting on how law legal practice and activism have evolved over the past decade and where feminist research and reform should lead in the years to come Published in English

Teaching Internet Basics Joel A. Nichols, 2014-10-14

Perfect for public librarians instructional librarians technology and digital resource specialists and library training specialists this book is an essential resource for digital literacy instruction According to Pew research published in 2013 two thirds of public libraries report that technology training is important in their communities and that 86.5 percent of public libraries offer classes on general Internet use Despite the ubiquitous nature of the Internet and digital media digital literacy instruction remains one of the major job duties of 21st century librarians In this book author Joel Nichols helps you to close the digital divide and make a difference in increasing information and digital literacy for your patrons offering tested content and methods that will make it easier for librarians to provide effective digital literacy instruction With its discussion of key Internet safety and security topics for inexperienced Internet users this hands on practical guide is what you need for approaching and solving these digital literacy instructional challenges This manual serves librarians who are teaching computer and Internet basics to patrons with little or no experience by providing a packaged solution with ready made training scripts and practical examples that teach basic digital literacy techniques The guide also fills any gaps in your knowledge or experience and gets you up to speed with the latest digital information needs of users in order to form a solid foundation from which to provide instruction with the supplied curriculum
