Where the Jobs are United States. Congress. House. Committee on Energy and Commerce. Subcommittee on Commerce, Manufacturing, and Trade, 2014

The Entrepreneurial State Mariana Mazzucato, 2024-02-06 Award winning economist Mariana Mazzucato's famously incisive international bestseller debunking the pervasive myth of the inept state versus an innovative private sector with a new preface by the author According to conventional wisdom innovation is best left to the bold entrepreneurs of the private sector and government should get out of the way But what if that wasn't the case What if from the inventions of Silicon Valley to medical breakthroughs the public sector has actually been the most courageous and valuable risk taker of all Critically acclaimed and influential thinker and scholar Mariana Mazzucato argues comprehensively against the myth of a lumbering bureaucratic state versus a dynamic innovative private sector with remarkable original and deep research In a series of case studies from nanotechnology to the emerging green tech of today Mazzucato reveals that the opposite is true the private sector only finds the courage to invest after an entrepreneurial state has made the high risk investments The Entrepreneurial State reveals how every technology that makes the iPhone so smart was actually funded by the government from the Internet and GPS technology to touch screen displays and voice activated Siri In the history of modern capitalism the State has not only fixed market failures but has also actively shaped and created markets In doing so it sometimes wins and sometimes fails Yet by not admitting the State's role in active risk taking we've created an innovation system where the public sector socializes risks while privatizing reward as Mazzucato controversially argues This bold and provocative book considers how we adopted this dysfunctional dynamic and then how we can overcome it so that economic growth can be not only smart but inclusive as well
