Sorenson, Lloyd M. Goldsmith, David E. DeMatthews, 2016-03-18 Make the most of your time and your leadership Is your school s vision getting buried under paperwork Are goals constantly pushed aside for small emergencies If you spend more time picking up pieces than putting them together this is your book Written by seasoned school principals this plan of action will get you back to the instructional leadership that made you want this job in the first place As educational technology helps you maximize your efficiency you ll see improvement where it counts in teaching student achievement morale and resource management This comprehensive guide features Easy to follow single topic chapters Standards based scenarios and questions Time management self assessments Easily adaptable experiential exercises Strategies for battling the silent time thief Tailor made for overworked administrators just like you you ll become the leader you want to be and promote a positive school culture where teachers and students thrive The authors have lived the demanding schedule as school leaders They provide real advice on how to keep the balance with the demands of school leadership and to give the gift of time to family and self Dr Tricia Pe a Professor Northern Arizona University This book should be a must read for every practicing or aspiring administrator The authors take a fresh look at time management issues while maintaining a focus on principles of effective leadership and applications of emerging technology Chris Hubbuch Principal Excelsior Springs Middle School MO **Vault Guide to the Top Southern California Law Firms, 2007 Edition** Brian Dalton, 2006-05-16 For the first time Vault offers a guide focused entirely on major law firms with large offices in Southern California Covering more than 55 firms in the major legal markets of Los Angeles San Diego and Orange County this Vault Guide is the only insider s guide to law firms in sunny Southern California Based on interviews and surveys of attorneys at each firm it provides in depth coverage of prestige compensation perks corporate culture and other legal lifestyle issues Resources in Education ,1998 *Necrotizing*

Enterocolitis David J. Hackam, 2021-03-14 This is the first textbook devoted entirely to understanding and treating necrotizing enterocolitis NEC one of the leading causes of death and disability in premature infants NEC continues to occur in neonatal units across the world and the overall mortality has remained stubbornly high since its first description decades ago Despite significant research into NEC and a greater understanding of its underlying causes there is no single source of information to which the care team can turn for guidance This book fills that important gap in clinical care In selecting the topics for this inaugural textbook three guiding principles have been followed First to include chapters that provide detailed information for the medical team the doctors and nurses the therapists and pharmacists the chaplains and the child life workers so that each team member can optimally recognize prevent and treat patients with this disease Second to ensure that chapters cover the depth and breadth of the latest clinical and scientific research into NEC each selected to identify specific preventative strategies or therapies for this disease Third and perhaps most importantly to focus not only on the child with NEC but also on the child's family in order to provide comprehensive information about a disease that families have barely heard about until the jarring day when their precious infant is affected by it This book therefore serves as a how to guide for the care of the infant with NEC summarises critical new research and offers guidelines for future key research areas addresses the complex and difficult issues surrounding care of the critically ill infant suffering from NEC Written for the entire health care team including paediatric surgeons neonatologists developmental paediatricians epidemiologists ethicists child life professionals therapists and specialist nurses each team member will find this book of value This book was written to demystify this cruel disease and to unlock its closely held secrets of pathogenesis diagnosis treatment and prevention

The Businessman's Minutes-a-Day Guide to Shaping Up Dr. Franco Columbu, 2017-09-30 The ladder to success is a lot easier to climb without the excess baggage of flabby arms chests and waist Furthermore the increased stress that arises from increasing business responsibilities can be more readily overcome by a man who is in peak shape than one who isn't Just as hard work in the business world can be its own reward so is working out In fact shaping up not only ensures robust health and a longer life but it improves a man's ability to bring about and enjoy business success by looking good feeling good and making good impressions on business colleagues The Businessman's Minutes a Day Guide To Shaping Up is more than another book of exercise and diet tips It addresses the problems a businessman faces in finding time to exercise in setting goals for training and in changing eating habits that make gaining or losing weight difficult The Businessman's Minutes a Day Guide To Shaping Up includes exercise programs developed for a variety of needs and body structures knowledgeable recommendations on training equipment and on training at home at a gym or on the road training programs for improved sports performance expert advice on the prevention and treatment of training injuries jet lag stress and anxiety and even eye strain a primer on the basics of nutrition proper food combining and vitamin and mineral supplementation an account of one businessman's training under Dr Columbu's direction that provides valuable insights on sticking to a training
