**política / Bernie Sanders Guide to Political Revolution** Bernie Sanders,2020-08-25 En este libro preciso y descarnado Bernie Sanders un pol tico estadounidense de larga trayectoria progresista y senador independiente autodefinido como socialista democr tico traza un diagn stico de las calamidades sociales que afectan a Estados Unidos Entre estas Sanders delinea la creciente desigualdad de ingresos el 1% m s rico de los norteamericanos posee tanta riqueza como el 90% m s pobre la brutalidad policial la inaccesibilidad a la educaci n superior el racismo los laberintos del sistema sanitario Sanders deja ense anzas para el resto del mundo hay que transformar el sistema *Are We Screwed?* Geoff Dembicki,2017-01-01 A declaration of independence and a call for systemic change from the generation that will be most impacted by climate change If anyone doubted the potential political power of the Millennial generation Bernie Sanders campaign put it in the spotlight *Are We Screwed* makes clear that the ardor for change defines this generation especially when it comes to climate change and they are willing to consider options that their elders might think naive and impractical rejecting a capitalism that cares only about profit and a political system riven by false ideology In telling the stories of his contemporaries around the globe in describing how they think and the many ways they are already effecting change Geoff Dembicki documents a historic shift in values and a corresponding re thinking of how social change can happen As of this year the millennial generation 18 to 34 year olds will become North America s largest demographic It is also the generation that has lived with the looming reality of global warming and will be most affected by its impacts In vividly reported dispatches from Beijing to Paris from San Francisco to New York Dembicki examines what millennial responses to climate change look like and how they are shaping our future He also provides an essential perspective on how climate change is intensifying generational tensions and shifts in society In the process a portrait of a generation emerges that goes a long way toward re branding it in ways that are positive and full of hope for the future *The Ones We've Been Waiting For* Charlotte Alter,2020-02-18 An optimistic look at the future of American leadership by a brilliant young reporter A new generation is stepping up There are now twenty six millennials in Congress a fivefold increase gained in the 2018 midterms alone They are governing Midwestern cities and college towns running for city councils and serving in state legislatures They are acting urgently on climate change because they are going to live it they care deeply about student debt because they have it they are utilizing big tech but still want to

regulate it because they understand how it works In *The Ones We've Been Waiting For* TIME correspondent Charlotte Alter defines the class of young leaders who are remaking the nation how grappling with 9 11 as teens serving in Iraq and Afghanistan occupying Wall Street and protesting with Black Lives Matter and shouldering their way into a financially rigged political system has shaped the people who will govern the future Through the experiences of millennial leaders from progressive firebrand Alexandria Ocasio Cortez to Democratic presidential hopeful Pete Buttigieg to Republican up and comer Elise Stefanik Charlotte Alter gives the big picture look at how this generation governs differently than their elders and how they may drag us out of our current political despair Millennials have already revolutionized technology commerce and media and have powered the major social movements of our time Now government is ripe for disruption *The Ones We've Been Waiting For* is a hopeful glimpse into a bright new generation of political leaders and what America might look like when they are in charge

**Critical Perspectives on Millennials** Bridey Heing, 2017-07-15 Millennials are much discussed and debated by the public media and government with many competing ideas about the age group Including those born between the mid 1980s and early 2000s the generation is sometimes seen as entitled and lacking in work ethic while others feel they have proven themselves as innovative and forward thinking Today as millennials enter the workforce and begin shaping the future of the country understanding how they fit into society is extremely important In this book arguments about millennials written by experts researchers politicians and others will be laid out side by side so that students can form their own opinions not only about this critical generation but about how society confronts change and generational differences

*The Next Republic* D. D. Guttenplan, 2018-10-02 A book for this moment Both an assessment of our current political leadership and a vision of those who can bring substantive change Who are the new progressive leaders emerging to lead the post Trump return to democracy in America National political correspondent and award winning author D D Guttenplan's *The Next Republic* is an extraordinarily intense and wide ranging account of the recent fall and incipient rise of democracy in America *The Next Republic* profiles nine successful activists who are changing the course of American history right now new labor activist and author Jane McAlevey racial justice campaigner and mayor of Jackson Mississippi Chokwe Antar Lumumba environmental activist and newly elected chair of the Nebraska Democratic Party Jane Kleeb Chicago's first openly gay Latino public official Carlos Ramirez Rosa ALLOFUS co founder Waleed Shahid young architects of Bernie Sanders amazing rise digerati Corbin Trent and Zack Exley founders of Brand New Congress and author and anti corruption crusader Zephyr Teachout Additionally the introduction to *The Next Republic* ties in the election and first year of the Trump presidency to the current rise of populism of the left and there are three historical chapters that describe key moments in American history that shed light on current events the Whiskey Rebellion the Lincoln Republic and the Roosevelt Republic Guttenplan understands the magnitude of the problem of democracy and at the same time the great possibilities for its resurgence Like a cross between George Packer's *The Unwinding* and John F Kennedy's *Profiles in Courage* *The Next*

Republic is both unyielding and deeply hopeful the first book to come out of the Trump ascendancy that stakes a claim for seeing beyond it     Pipelines and Politics Lisa Idzikowski, 2017-12-15 Fossil fuels are a valuable commodity at the forefront of national and international politics Pipelines can create jobs and economic growth not to mention delivering a commodity to people who need it What happens when there is conflict about the land through which a pipeline travels Such conflicts can lead to protests stoppages and even war Readers of this comprehensive volume which explores the topic from a multitude of angles will learn how a simple pipeline can have enormous geopolitical ramifications
