Influencer Oliver Markus Malloy, 2020-07-27 Special Anniversary Omnibus Get all three books for the price of one ____ Part 1 Going to New York ____ The strange true story of the first influencer Oliver a hacker living in Germany meets Donna online She s an American girl living in New York After chatting and talking on the phone for months he finally decides to surprise her with a visit But he soon finds out that things are not what they appeared to be and that this visit will change his life forever Nobody has ever killed themselves over a broken arm But every day thousands of people kill themselves because of a broken heart Why Because emotional pain hurts much worse than physical pain Oliver Markus Malloy Bad Choices Make Good Stories Don t ever think you re better than a drug addict because your brain works the same as theirs You have the same circuits And drugs would affect your brain in the same way it affects theirs The same thought process that makes them screw up over and over again would make you screw up over and over as well if you were in their shoes You probably already are doing it just not with heroin or crack but with food or cigarettes or something else you shouldn t be doing Oliver Markus Malloy Bad Choices Make Good Stories A must read One of those rare books that sucks you in from the first to the last page Amazon Review ____ Part 2 The Heroin Scene in Fort Myers ____ America has a heroin problem Oliver moves from New York to Florida Battling with depression he gets sucked into the seedy underworld of Fort Myers where he encounters a number of female drug addicts He empathizes with them because of his own traumatic past Oliver feels compelled to try to help them escape the addict lifestyle but learns the hard way that he is in way over his head A truly fascinating and unexpected look at the darker side of addiction A Allyson Goodreads ____ Part 3 Finding Happiness in Los Angeles ____ If you re a fan of Dave Chappelle or John Oliver you ll love this book After writing a book about his bizarre adventures in America s underbelly Oliver finally finds love among his readers on Goodreads I think it will become a standard for people who are dealing with loved ones struggling with addictions B Bridges Amazon Review Dear Reader You re a little late to the party Where the hell have you been This is already the third and final part of the trilogy and you re only joining us now Tsk tsk tsk Let me get you up to speed on what you ve missed so far In book one Going to New York you missed the utterly fascinating nay spellbinding saga of me growing up in Germany and later emigrating to New York I was a brooding troubled teenage hacker Wow Good stuff It s almost like my life was the perfect kind of crazy to make a really awesome book Anyway being a teenage hacker came in handy later in life I went from rags to riches thanks to my keen understanding of technology and how to use the web to my advantage In New York I was married to Donna a girl I had met online She was an agoraphobic prone to temper tantrums And fun was had by all which led to a divorce 16 years later That s where the story gets really interesting I began dating It didn t go well I was no good at it OK truth be told I was really bad at it Apparently I had terrible taste in women A heroin addicted hooker named Alice broke my heart and robbed me of my will to live Doesn t sound very fun does it But it s a fun read I promise Dark but fun Mesmerizing even Brokenhearted I moved from New York to Florida That s where the first book ends The second book you missed I m not mad at you I m just disappointed is called The Heroin

Scene in Fort Myers which is a very fitting title believe me Sometimes I m a slow learner so I dated my way through the heroin scene in Florida and I couldn t figure out for years why I wasn t finding any wife material But oh how I tried And tried In all the wrong places Pretty sad I m not proud of it After years of sad pathetic sex with heroin addicts I was a wreck My younger self wouldn t have even recognized me Lucy and Veronica had turned me into a broken humiliated shell of a man My heart had been ripped out of my chest so many times it was a miracle I hadn t killed myself yet Seriously it s a fun read I promise At the end of the book I had it up to here with heroin addicts I told myself never again would I let myself be sucked in by the sweet lies of manipulative fake love The name of the final chapter was NO MO HO No more whores I needed to change my life before my life was going to kill me I hopped on a plane back to my native Germany to lick my wounds and heal before returning to America That s where the second book ended And now for our third and final act *The Bootleg Manifesto* Donnie Lamon,2016-12-26 This is a bootleg book It didn t go through the proper channels It took the backroads sometimes blind drunk at at 100mph It ran low on gas and low on oil It ran on bald tires and a temporary spare It stopped off at fleabag motel rooms and twobit dive bars and greasyspoon truckstops It ran through Gatlinburg and Atlanta and Seattle and San Diego and Houston and Orlando and Little Rock and Tijuana and New York City It found love there in those dark hollers and crowded streets It found love and art and politics and philosophy and pain and justice and truth and beauty and history and racism and culture and religion and God It found God on those twisted backroads and busy streets This is a book about God This is a book about The Gospel that original bootleg manuscript written longhand and passed around in secret by palsied hands and leprous fingers passed around by the fingers of hookers and junkies fishermen and truckdrivers children and old folks thieves and murderers And it passed to me *All I Ever Wanted to Know about Donald Trump I Learned From His Tweets* ,2017-09-19 We had to figure that by electing a decidedly non career politician that things would be different But is this any way to run a country Many opinions have been shared about Donald Trump but we can learn so much more about the man via what he himself says in 140 characters or less Trump has tweeted nearly 35 000 times since launching realDonaldTrump in March 2009 commenting on everything from immigration to policy climate change to even pop culture As President Trump tweets without ceasing sometimes a dozen times a day seemingly during important events and meetings Apparently he believes that twitter is an effective tool for him to drive his agenda But it s one thing to be a brash bold and outspoken maverick businessman it s quite another when the leader of the most powerful country in the world is talking politics as stream of consciousness **Why the Right Went Wrong** E.J. Dionne,2016-01-19 From the author of *Why Americans Hate Politics* the New York Times bestselling and notably fair minded The New York Times Book Review story of the GOP s fracturing from the 1964 Goldwater takeover to the Trump spectacle *Why the Right Went Wrong* offers an up to the moment The Christian Science Monitor historical view of the right since the 1960s Its core contention is that American conservatism and the Republican Party took a wrong turn when they adopted Barry Goldwater s worldview during and after

the 1964 campaign The radicalism of today s conservatism is not the product of the Tea Party Washington Post columnist E J Dionne writes The Tea Partiers are the true heirs to Goldwater ideology The purity movement did more than drive moderates out of the Republican Party it beat back alternative definitions of conservatism Since 1968 no conservative administration not Nixon not Reagan not two Bushes could live up to the rhetoric rooted in the Goldwater movement that began to reshape American politics fifty years ago The collapse of the Nixon presidency led to the rise of Ronald Reagan the defeat of George H W Bush to Newt Gingrich s revolution Bush initially undertook a partial modernization preaching compassionate conservatism and a Fourth Way to Clinton s Third Way Conservatives quickly defined him as an advocate of big government and not conservative enough on spending immigration education and Medicare A return to the true faith was the only prescription on order The result was the Tea Party which Dionne says was as much a reaction to Bush as to Obama The state of the Republican party controlled by the strictest base is diminished Dionne writes It has become white and older in a country that is no longer that It needs to come back to life for its own health and that of the country s and in Why the Right Went Wrong Dionne expertly delineates where we are and how we got there Chicago Tribune and how to return
