

Bernie Sanders Unions

Eric Blanc

Bernie Sanders Unions:

Save Our Unions Steve Early, 2013-11 *Save Our Unions* Dispatches From A Movement in Distress brings together recent essays and reporting by labor journalist Steve Early The author illuminates the challenges facing U S workers whether they re trying to democratize their union win a strike defend past contract gains or bargain with management for the first time Drawing on forty years of personal experience Early writes about cross border union campaigning labor strategies for organizing and health care reform and political initiatives that might lessen worker dependence on the Democratic Party *Save Our Unions* contains vivid portraits of rank and file heroes and heroines both well known and unsung It takes readers to union conventions and funerals strikes and picket lines celebrations of labor s past and struggles to insure that unions still have a future in the 21st century The book s insight analysis and advocacy make this an important contribution to the project of labor revitalization and reform

A New Kind of Union Fred Wilson, 2019-04-09 In fall 2011 the leaders of two of Canada s largest unions made a bold decision that would change the Canadian labour movement Unions faced hostile governments union busting corporations and declining membership Something drastic needed to be done This book describes the unique process by which the Canadian Auto Workers Union CAW and the Communications Energy and Paperworkers Union of Canada CEP decided not just to merge but to create a new union that would be more democratic more inclusive and more powerful And how two years later a new union with a new name was founded Unifor has been a source of optimism and inspiration that unions can adapt to changing times and be a relevant voice for workers in twenty first Century workplaces and in politics But to do that Unifor had to be a new kind of union that would act differently Here is the inside story

We Are the Union Eric Blanc, 2025-02-18 A riveting account of labor s bottom up resurgence providing a roadmap for workers unions and social movements to win widely After decades of union decline and rising inequality an inspiring wave of workplace organizing from Starbucks stores to Amazon warehouses to southern auto factories has thrust unionization into the national spotlight By analyzing this surge and telling the stories of the courageous workers driving it forward *We Are the Union* makes a case for how to overcome business as usual in both corporate America and organized labor Eric Blanc shows that recent struggles have developed a new organizing model worker to worker unionism which builds scalable power by giving rank and filers an unprecedented degree of leadership Through digital tools and ambitious campaigns young worker leaders are turning the labor movement back into a movement and they re winning Rigorously researched and compellingly written *We Are the Union* illustrates how this new grassroots approach can exponentially grow the power of working people to overcome economic exploitation racial injustice and authoritarianism at work and beyond

Teacher Unions and Social Justice Michael Charney, Jesse Hagopian, Bob Peterson, 2021-04-03 *Teacher Unions and Social Justice* is an anthology of more than 60 articles documenting the history and the how tos of social justice unionism Together they describe the growing movement to forge multiracial alliances with communities to defend and transform public education

Book Review 1

The fight for justice the fight for educational justice is achieved by community wins As more unions join forces with their communities to engage in social justice unionism the community will win and we need a playbook Teacher Unions and Social Justice is that playbook It s packed with ideas strategies and the voices of change from across the nation from people who are protesting marching striking organizing creating and demanding the schools our students deserve Bettina Love Professor of Teacher Education University of Georgia Co founder of the Abolitionist Teaching Network Book Review 2 this book is centered in strategy It recommends building coalitions between unions and communities to demand investment in public schools In the book s vision a union s identity goes beyond its leaders to promote and publicize the members collective action on cultural and community matters of concern Foreword Clarion Reviews Book Review 3 Teachers Unions and Social Justice creates a clear roadmap for building and wielding the power working people need to restore our social contract by using common good bargaining to build solidarity that extends beyond our workplaces and into our communities Sara Nelson President of the Association of Flight Attendants CWA

BRICS and the New American Imperialism Vishwas Satgar,Ferrial Adam,Samir Amin,Patrick Bond,William K Carroll,Christopher Chase-Dunn,Alexander Gallas,Ana Garcia,Karina Kato,Nivedita Majumdar,Keamogetswe Seipato,2020-03-01 Challenges the mainstream understanding of BRICS and US dominance to situate the new global rivalries engulfing capitalism BRICS is a grouping of the five major emerging economies of Brazil Russia India China and South Africa Volume five in the Democratic Marxism series BRICS and the New American Imperialism challenges the mainstream understanding of BRICS and US dominance to situate the new global rivalries engulfing capitalism It offers novel analyses of BRICS in the context of increasing US induced imperial chaos deepening environmental crisis tendencies such as climate change and water scarcity contradictory dynamics inside BRICS countries and growing subaltern resistance The authors revisit contemporary thinking on imperialism and anti imperialism drawing on the work of Rosa Luxemburg one of the leading theorists after Marx who attempted to understand the expansionary nature of capitalism from the heartlands to the peripheries The richness of Luxemburg s pioneering work inspires most of the volume s contributors in their analyses of the dangerous contradictions of the contemporary world as well as forms of democratic agency advancing resistance While various forms of resistance are highlighted among them water protests mass worker strikes anti corporate campaigning and forms of cultural critique this volume grapples with the challenge of renewing anti imperialism beyond the NGO driven World Social Forum and considers the prospects of a new horizontal political vessel to build global convergence It also explores the prospects of a Fifth International of Peoples and Workers

Unions Flying High Ted Reed,2025-01-16 Complex and closely watched the U S airline industry has long been a stronghold of union labor Airline unions function as democracies that organize strikes raise concern about important safety issues and back mergers that would not move forward without their support They use their power to improve workers lives and to enhance safety which can be threatened by corporate over commitment to ensuring profits This book draws from the

experience of Miami Herald's former airlines reporter Ted Reed who offers an insider's view of the unions' victories, losses, and larger-than-life leaders. From the beginning of his career in the late 1980s, it was evident that covering the airline industry also meant covering the labor unions that represented nearly every group of employees. His 30 years of experience have spanned multiple major strikes and other union events, and the stories he shares are critical to understanding the role of labor organization in the airline industry. *Critical Perspectives on Labor Unions* Rita Santos, 2019-07-15 Labor unions have helped shape American history, but are they still relevant today? In this volume of critical perspectives, readers will hear from experts in the field about the history of labor unions and their lasting and controversial effects on American workers. Readers will be exposed to a range of voices encouraging them to think critically and analyze the given facts in order to form their own opinions on the issue. Each article provides thought-provoking questions to help boost further discussion of topics.

New Media Unions Nicole S. Cohen, Greig de Peuter, 2020-03-11 Investigating the wave of unionization that has seen over 60 digital and legacy media outlets unionize since 2015, this book explores how a flash of organizing by digital-first journalists has become a full-blown movement to unionize journalism, particularly in the United States. Through in-depth interviews with journalists and organizers, *New Media Unions* maps the process of labor organizing, foregrounding journalists' voices and documenting a historic and ongoing moment in the digital media industry. Cohen and de Peuter examine what motivates union drives, then follow journalists through the making of a union from scratch. They explore how journalists strategically self-organize, apply their communication skills to alternative ends, generate affective bonds of solidarity, and build power to confront anti-union campaigns and bargain first contracts, winning significant gains and drafting a new labor code for journalism in a digital age. This book demonstrates that if journalism is to have a future, it must be organized. *New Media Unions* provides a counter perspective on an industry in flux, whose protagonists, young journalists facing precarious futures, are using collective organizing to articulate a bottom-up vision for journalism's future. This is a valuable resource for academics and researchers interested in political economy, journalism studies, and labor studies. Book website: www.newmediaunions.com

American Opinion on Trade Alexandra Guisinger, 2017 Introduction: The changing landscape of trade and trade knowledge; Trade preferences and politics; Economic vulnerability, self-interest, and individual trade preferences; Community and trade preferences; Racial diversity and white Americans' support for trade protection; The negative perceptions of trade's national effect; Could positive information shift national-level beliefs; Conclusions; References.

Union Booms and Busts Judith Stepan-Norris, Jasmine Kerrissey, 2023 Unions are back in the news with new organizing activity abounding from Amazon to Starbucks. In *Union Booms and Busts*, authors Judith Stepan-Norris and Jasmine Kerrissey explain the evolution of the U.S. labor movement and shed light on the fluctuating strength of unionization in the past 115 years. Unlike other accounts, this book features detailed data to demonstrate the shifting fortunes of workers over time and by industry. While documenting the economic, political, and legal changes of each period, the authors highlight the union and

employer actions that were crucial to creating their changing fortunes By demonstrating how workers used strikes elections and other strategies to win power and employers used legal maneuvers workforce based strategies and race and gender divisions to disrupt unions the authors reveal data driven truths about the ongoing history of unionization

Bernie Sanders Unions: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Bernie Sanders Unions : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
