*The Myth of the Age of Entitlement* James Cairns, 2017-07-28 We are said to be living in the age of entitlement Scholars and pundits declare that millennials expect special treatment do

whatever they feel like and think they deserve to have things handed to them In *The Myth of the Age of Entitlement* Cairns peels back the layers of the entitlement myth exposing its faults and arguing that the majority of millennials are actually disentitled facing bleak economic prospects and potential ecological disaster Providing insights from millennials rarely profiled in the mainstream media Cairns redefines entitlement as a fundamental concept for realizing economic and environmental justice

*Meet the Candidates 2020: Kamala Harris* Scott Dworkin, 2019-06-18 Kamala Harris is already a contender to take on Donald Trump despite still refining her positions Learn what makes the lawyer legislator and progressive Democrat a strong candidate Meet the Candidates 2020 Kamala Harris A Voter's Guide is your handbook to understanding the candidacy of Kamala Harris and deciding if she deserves your vote in the Democratic primary and ultimately to take on Donald Trump in the 2020 presidential election The senator former prosecutor and attorney general from California has gained momentum after a strong national showing at the Kavanaugh hearings She is a strong voice in the Senate and serves on the Homeland Security and Governmental Affairs Committee the Select Committee on Intelligence the Committee on the Judiciary and the Committee on the Budget While she is still refining her campaign stances she has voiced support for gun control the Green New Deal lowering middle class taxes DREAMers net neutrality and legalizing marijuana Meet the Candidates 2020 Kamala Harris A Voter's Guide examines how her campaign will solidify the type of leader she'll be and her chances versus Donald Trump in the general election The Meet the Candidates 2020 series is the informed voter's guide to making a decision in the 2020 Democratic primary and presidential election Each book gives an unbiased political insider's analysis of each contender featuring candidate interviews an introduction by campaign adviser Democratic Coalition co founder and Dworkin Report host Scott Dworkin and compilation and writing by Occupy Democrats Editor at Large Grant Stern In two hours of reading you'll understand their defining characteristics credentials campaign issues challenges presidential chances and everything else you need to know to decide who should challenge Donald Trump Whether it's for Elizabeth Warren Joe Biden Bernie Sanders Kamala Harris Julian Castro Cory Booker or another Meet the Candidates is what you need to make an informed vote for president in 2020

**Meet the Candidates 2020: Joe Biden** Scott

Dworkin, 2019-07-23 Is Joe Biden the right Democrat to face Trump in 2020 Decide by reading this guide to his policies accomplishments as vice president to Barack Obama and complicated past as a Congressman Even before he decided to run Joe Biden was the most popular Democratic candidate for president in 2020 On the heels of serving as vice president and close friend to Barack Obama Biden's resume and likability position the former Congressman from Delaware as the favorite for the nomination He holds a strong lead in the polls But Joe Biden's legacy is much more complicated He chaired the Foreign Relations and Senate Judiciary Committees but his treatment of Anita Hill in the Clarence Thomas Supreme Court hearings will be a black mark on his candidacy He oversaw successful Great Recession relief and the Violence Against Women Act and ultimately received the Presidential Medal of Freedom but the racial statements from his past will reflect

poorly when promoted by Republicans and fellow Democratic candidates And Biden has faced allegations of inappropriate touching by several women Meet the Candidates 2020 Joe Biden A Voter s Guide will explore these contradictions and help you decide if Biden is your choice for 2020 The Meet the Candidates 2020 series is the informed voter s guide to making a decision in the 2020 Democratic primary and presidential election Each book gives an unbiased political insider s analysis of each contender featuring candidate interviews an introduction by campaign advisor Democratic Coalition co founder and Dworkin Report host Scott Dworkin and compilation and writing by Occupy Democrats Editor at Large Grant Stern In two hours of reading you ll understand their defining characteristics credentials campaign issues challenges presidential chances and everything else you need to know to decide who should challenge Donald Trump Whether it s for Elizabeth Warren Joe Biden Bernie Sanders Kamala Harris Pete Buttigieg Cory Booker or another Meet the Candidates is what you need to make an informed vote for president in 2020

**The Presidential Election of 2020** William Crotty, 2021-06-28 The Presidential Election of 2020 Donald Trump and the Crisis of Democracy places the election of 2020 within the context of the Trump presidency a chaotic and tense time in American politics and a dangerous one The election is analyzed in depth and its meaning for the state of American society is made clear A major theme in the book is a critique of Donald Trump s leadership his incompetence in office his appeal to followers and the danger this has proven to represent Among other things he was accused of mental instability during his presidency Yet he received the second highest vote total in American history exceeded only by winning candidate Joe Biden s Trump was impeached twice for his actions in office but both times not held responsible for what he had done by a Republican controlled Senate The election is placed in an ongoing context It was followed by strenuous attempts by Trump and associates to have states reverse their results and declare him the winner and by the Trump organized seditious assault on the Capitol in which five people died The objective was to force Vice President Mike Pence who was chairing a Joint Session of Congress normally a formality to instead reject the Electoral College vote outcome Pence would not do it His life and that of Speaker Nancy Pelosi were threatened by the rioters The threat of a coup a new development in American politics and one led by Trump and others who share his views remains Meanwhile President Joe Biden in his efforts to reconstruct America has introduced the most ambitious policy agenda since the New Deal

*In America* Caitríona Perry, 2017-10-27 As RT s Washington correspondent Caitr óna Perry has earned a reputation as a reliable source of truth as the world tries to make sense of the maelstrom of shocking headlines emanating from Donald Trump s America In her first book she goes beyond the news reports and delves into the American heartland where she witnessed his rise at first hand while others were blindsided by his victory Bringing to the table the voices of those who voted for President Trump the ones whose opinions didn t coalesce with acceptable mainstream discourse Hillary Clinton s so called basket of deplorables Caitr óna Perry reveals just what is really happening in America right now This is the story of the American people who were angry and disillusioned by traditional politics It is the story of the workers of the industrial heartland of the

women of America of immigrant communities of the people who viewed a wealthy businessman from the city of New York as one of us This is the story of the people who shook the world Spellbindingly good Journeying across America Caitr ona Perry masterfully takes us into the hearts and minds of those who voted for Donald Trump A triumph of a book Prof Gary Murphy Head of the School of Law and Government DCU From the Mexico border to the Oval Office Caitr ona Perry brings us to the coalface of one of the most tempestuous and extraordinary opening periods of any presidency in modern memory Ryan Tubridy In my visits to Ireland since the 2016 election the most frequent question I get is How could that happen Caitr ona Perry answers it honestly and candidly as only someone who takes the time to understand could Cody Keenan Chief Speechwriter to President Barack Obama Bringing us vivid voices from Trump country and exploring the emotional landscape in which his campaign took root this book deepens our understanding of the Trump phenomenon Anne Anderson Former Irish Ambassador to the US The hopes contradictions and beliefs of Trump voters brilliantly told a necessary and insightful book Joe Duffy This entertaining and insightful travelogue through its attention to detail of both place and people lays bare both the death and residual power of the American Dream Prof Liam Kennedy Clinton Institute for American Studies UCD A genuinely fascinating chance to meet the most and least likely Trump voters and find out why his election was ultimately bound to happen Rick O Shea     Trump: The Chosen One Bruce Fine,Hank Lewin,2020-06-15 With the threat of calling out the United States military to dominate US citizens in peaceful protest Donald Trump has shown America his true autocratic tendencies and desire to rule this nation with an iron fist For all those concerned with the safeguarding of our democracy you should read this book Trump The Chosen One explores the seduction of the Christian Right by Donald Trump preying on fears and prejudices to create false narratives and controversies promoting an agenda of division obfuscation and misdirection within our nation This book shreds the moral and ethical reasoning of that large part of the Christian Right s unwavering support for a president whose actions show disdain for moral standards We explore the danger of allowing a fanatical religious ideology to weave its way into the fabric of our political system threatening out democracy We draw a connection through the hypocrisy of the religious right Income and wealth inequality foreign policy climate change and the systematic dismantling of political judicial and governmental institutions We rely on a foundational American principle to frame the first three years of the Trump administration to reveal how this president s stance on global warming and steadfast support for fossil fuels places him in lockstep with Vladimir Putin and other tyrannical leaders This book questions Trump s appeal to people of faith who should be alarmed at the president lack of a moral compass as well as civic minded republicans who no longer recognize today s GOP It is an alarm to all those who are concerned with the preservation of our democracy who are concerned with our environment the relationship between faith and politics Constitutional history economic and tax policy     **Crisis!** Cedric de Leon,2023-05-25 A timely analysis of the power and limits of political parties and the lessons of the Civil War and the New Deal in the Age of Trump American voters have long been familiar with the phenomenon of the

presidential frontrunner In 2008 it was Hillary Clinton In 1844 it was Martin Van Buren And in neither election did the prominent Democrat win the party's nomination Insurgent candidates went on to win the nomination and the presidency plunging the two party system into disarray over the years that followed In this book Cedric de Leon analyzes two pivotal crises in the American two party system the first resulting in the demise of the Whig party and secession of eleven southern states in 1861 and the present crisis splintering the Democratic and Republican parties and leading to the election of Donald Trump Recasting these stories through the actions of political parties de Leon draws unsettling parallels in the political maneuvering that ultimately causes once dominant political parties to lose the people's consent to rule Crisis takes us beyond the common explanations of social determinants to illuminate how political parties actively shape national stability and breakdown The secession crisis and the election of Donald Trump suggest that politicians and voters abandon the political establishment not only because people are suffering but also because the party system itself is unable to absorb an existential challenge to its power Just as the U S Civil War meant the difference between the survival of a slaveholding republic and the birth of liberal democracy what political elites and civil society organizations do today can mean the difference between fascism and democracy

*The Imperfect Primary* Barbara Norrander, 2019-07-17 The complex and ever changing rules governing American presidential nomination contests are continuously up for criticism but there is little to no consensus on exactly what the problems are or on how to fix them The evolving system is hardly rational because it was never carefully planned So how are we to make sense of the myriad complexities in the primary process and how it affects the general election and calls for change In this thoroughly updated third edition of *The Imperfect Primary* political scientist Barbara Norrander explores how presidential candidates are nominated and how that process bridges to the general election campaign discusses past and current proposals for reform and examines the possibility for more practical incremental changes to the electoral rules Norrander reminds us to be careful what we wish for reforming the presidential nomination process is as complex as the current system Through the modeling of empirical research to demonstrate how questions of biases can be systematically addressed students can better see the advantages disadvantages and potential for unintended consequences in a whole host of reform proposals New to the Third Edition Fully updated through the 2016 elections with an eye toward 2020 Tracks the changing role of key primary features including superdelegates political action committees debates rule changes open and closed primaries caucuses and the electoral calendar Includes new discussions of the impact of multicandidate contests and The Good Bad and Ugly of Social Media Continues the discussion of Electoral College challenges and reforms
