

bernette® 340 Deco The complete embroidery machine.

New! Automatic Thread Cutter
The thread cutter automatically cuts the top and bottom threads at the end of each thread color or whenever needed at the simple press of a button.

New! 100 Great Embroidery Designs
Choose from 100 exclusive, permanently integrated embroidery designs, and enjoy the fine, precise embroidering quality of the Bernette 340 Deco.

Large Touch Screen
Makes it easy to combine and edit designs, name projects, move in 1° steps, and move in 1% steps.

Thread-Color Indication Built-in Color Charts
Thread-color indication gives you color recommendations for each design. Built-in charts convert colors to threads from four leading manufacturers. Choose the one you prefer. Exclusively available is a mode displaying colors the designer imagined—ideal for using up thread remnants.

Automatic Needle Threading
The automatic needle threader makes threading the machine child's play: it's fast and easy steps, and the thread is through the needle's eye.

Free Arm
The Bernette 340 Deco has a free arm that helps you embroider tubular textiles such as trousers legs or sleeves. Via recommend using the optional embroidery hoop along with the free arm.

Upper-Thread Sensor and Lower-Thread Check
The upper-thread sensor automatically stops the embroidery process if the upper thread breaks or when the spool is empty. The lower thread is also checked before each embroidery step. The result: guaranteed reliable embroidery.

Big Hoops for Big Designs
Using the two standard hoops, you can embroider designs measuring up to 7.9 x 5.5 inches in a single run. Additional optional hoops are available for special applications.

Drag & Drop
Move and reposition designs with the greatest of ease by simply touching them and dragging them across the screen.

Special Compartment for Scissors
A handy holder for embroidery scissors is built into the machine, roomy enough to hold both the new scissors that come with the machine and your favorite pair.

New! Use Both USB Sticks and Design Cards
Choose from a virtually endless selection of compatible Bernina embroidery designs on Bernina or commercial USB sticks and design cards. Transfer your own designs from your PC, too, and save your designs on USB sticks, a personal design card or directly in the Bernette 340 Deco memory.
