Bible Characters Vol 1 6 Complete Edition:

Bible Characters - Vol. 1-6 Alexander Whyte, 2011 Alexander Whyte's well researched collection of Bible biographies has been of indispensable use to pastors study group leaders and students of the scriptures for over 100 years. It is the most comprehensive and most well respected source of material for understanding the characters involved in the events of the Bible ever published. This is indeed the best exposition on Biblical characters ever written. Alexander Whyte reveals insights into the lives of the people of the Bible that casual readers might never find. Then he powerfully applies truths revealed in such a way that the reader is left spiritually convicted and seeking God's mercy. The complete edition contains nearly 150 in depth character studies from Genesis to Revelation. This edition is completely linked with a working table of contents for ease of navigation and study. This is the ULTIMATE Bible character study e book. Through the scriptures you meet the people of the Bible. But through Alexander Whyte you will come to know them better. Next to the Bible you will find Bible Characters the greatest help in understanding the men and women in God's Word. Whyte writes brief biographies faithful to the Biblical text. Without stretching the truth he stretches our minds to embrace the character of the individuals revealed there. He is never superficial. He writes like a modern newspaperman in terms of human interest and deep insight. It's just as though he had interviewed an individual and returned to the newspaper office to write up the feature. The reader of these works will not be disappointed as they will walk away with a deeper and greater understanding of those men and women God used in his Word as examples for us all.

Women of the Bible and Contemporary Women of Faith Jacqueline George, 2017-09-22 This book focuses on a selected sample of women of faith from the Bible to contemporary times. It addresses how these women have been change agents in multiple facets of life including in the family in politics and in the wider society. While their underlying connection can be seen as their faith in God and their willingness to serve their vulnerability has also been evident. For the reader seeking to increase his or her faith in God and develop a closer spiritual walk and for any whose interest lies in recognizing the similarities between biblical times and the present this review that ranges from Eve through Mother Teresa through Oprah and Malala should be a must read.
