Bible Study Guide Third Quarter 2013:

Our Wonderful Judge Allan Freed, 2019-05-14 It should go without saying that Christ is central to Christianity Most Christians know that He is the means by which God brings human beings back into fellowship with Himself They may also be aware that Christ is our substitute and surety our righteousness and our pattern and example for living What they may not know is that as the sinless second Adam Christ has become the new head of the human race and that in leaving this world He sent His Spirit to complete the adoption process for all who receive Him Gal 4 6 7 And what they also may not know is that Christ is also our Wonderful Judge which is encouraging news headed toward final judgment Allan Freed describes Christ's roles in human redemption how the biblical sanctuary foreshadowed the pathway of reconciliation to God and what the believer must do to cooperate with Jesus as He finishes His heavenly sanctuary ministry He warns about a perilous path promoted by a three part religious union that has declared Protestantism dead and he offers insight to get on and stay on the pathway that will take us home to God

Perrin,2016-10-04 Young evangelicals in Britain often find themselves at odds with an increasingly secular society and yet the tradition persists and in some places flourishes Sociological studies into the faith of this demographic group are rare yet there is much to be explored as to how their faith functions and how it compares to other groups globally Similarly given the privilege evangelicals afford the biblical text how young believers engage with the ancient Scriptures they understand to be the word of God is particularly significant This work addresses that core question How do young evangelicals make sense of the Bible today Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities ordinary hermeneutics and theological concerns of young adults Presenting age related focus groups with challenging biblical narratives the study compares strategies for negotiating the texts based on age gender and churchmanship It provides a unique insight into the realities of Bible reading and the faith of Generation Y and gives food for thought not only to those with scholarly interests but also those with a pastoral concern to shape and sustain the Christian faith of young adults in Britain and beyond
