Bible Study Guide Third:

1, 2, and 3 John: An Introduction and Study Guide Warren Carter, 2024-07-11 This insightful study engages the debates and interpretations of the brief and somewhat elusive writings known in the Christian canon as 1 2 and 3 John Chapter 1 identifies six unknowns about the origins of the three writings authors relationship to John s Gospel order date and location of the writings and their audiences Chapters 2 and 3 delineate the debate concerning the relationship of these writings to a purported Johannine tradition and Johannine community in which a schism is claimed to have occurred An alternative view recognizes that while there are some connections with John s Gospel it is more compelling to see the writings as independent rather than derivative as internally not externally directed as pastoral not polemical and as schism free Chapters 4 7 discuss important aspects of 1 John Chapter 4 argues that its structure or organization is based on rhetorical and conceptual links among the writing s small units Chapter 5 reads 1 John as a pastoral in house writing rather than a polemical attack on opponents Chapter 6 identifies the genre of I John as not a letter or sermon but an epideictic speech that seeks to strengthen the identity commitments and practices of its believing recipients Chapter 7 outlines theological understandings that underpin the writing s pastoral work Chapters 8 and 9 focus on 2 and 3 John as writings that provide two different approaches to itinerant teachers The narrative fiction in 2 John presents the elder s warning and skepticism about itinerant teachers whereas the author of 3 John by contrast advocates reception and welcome for itinerant teachers

Breakthrough Ken Braddy,2022-08-16 A church without discipleship is just a gathering It is an important distinction that many pastors and leaders have known for years In leading their churches well pastors have provided a trustworthy curriculum enlisted gifted teachers and have made sure to offer times for members to gather and fellowship with each other However amid all these gatherings one question kept popping up among leaders How do we know if what we are doing is working Over the years leaders have tried to answer this question with numbers If people attended these groups and seemed to enjoy the material then they must be finding success Ken Braddy the director of Sunday school for Lifeway Christian Resources felt that there had to be a better way to measure what matters In Breakthrough Ken guides leaders to measure their groups by observing if they are discipling each other if they are caring for others in and outside of their group and if they are engaging in acts of service Breakthrough offers a new scorecard for leaders to not only track the progress of their groups but measure their success *Catalog of Copyright Entries.
