Biblical Parenting Dan A. Myers, M.D.,2011-02-21 Biblical Parenting A Christian Psychiatrist s View is a guide to the Bible s wealth of instructions showing how parents can effectively rear children God s Biblical instructions are consistent with much of modern child psychiatric thought Although this book reflects Christian views it should also be useful for non Christian parents Many child rearing instructions are found in the Old Testament common to both the Jewish and Christian religions The directions for child rearing given in the Bible used by parents for thousands of years are sound regardless of one s religious beliefs The biblical account of the life of Jesus Christ contained in the New Testament is the most famous biography ever written Throughout the Bible God tells parents to make their own lives comply with His Word as they teach their children However God s instructions for parents are not grouped together conveniently in a particular book or chapter This book is a guide to help parents locate and confirm the child rearing instructions found in the Bible **The Alcalde**,2011-07 As the magazine of the Texas Exes The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years The Alcalde serves as an intellectual crossroads where UT s luminaries artists engineers executives musicians attorneys journalists lawmakers and professors among them meet bimonthly to exchange ideas Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater The magazine s unique name is Spanish for mayor or chief magistrate the nickname of the governor who signed UT into existence was The Old Alcalde
