The Only Cellar Paul Larralde, 2014-07-26 THE ONLY CELLAR A good deed over thirty years ago completely changes this character's life Overnight he goes from a normal run of the mill eight to five job to having more than he had ever thought was possible A visit from the company's lawyer originally makes him think it is all a sales pitch at least until she hands him an envelope with a bundle of money Still skeptic he boards a company plane for a couple of hours trip across the state to his old hometown An old looking storage cellar usually used to store field crops such as onions potatoes apples etc is not all it is appears to be He and his wife continue to get used to the inheritance and he continues to explore and discover areas underground He finds areas for storage animal corrals utilities and general survival No longer can he hold all this information inside he starts to show his wife and they explore underground tunnels and storage Until one morning he finds a note on his desk I know you know I'm here Meet me at my quarters at ten o'clock This meeting answers a lot of questions and brings up more A whole new and absolutely correct set of manuals blueprints contracts etc is delivered by this strange old man the Noah Project Strangely they are delivered by N *Automobile Quarterly: Vol-4 #4* , Automobile Heritage and Tourism Michael V. Conlin, Lee Jolliffe, 2016-12-01 Automobile heritage encompasses a complex range of artefacts and activities Beyond just historic vehicles which are the primary artefacts of this niche it also includes communities of collectors and enthusiasts private owners and public institutions as well as historic motoring environments literally thousands of museums exhibitions and car shows throughout the world and a range of paraphernalia that includes both original and replicated promotional materials equipment and parts and guide books Although automobile heritage has been the subject of some limited research Automobile Heritage and Tourism is unique in examining its scope and role within tourism The book looks at a vast array of topics from the experience of using and collecting old cars related destination development automobile heritage and museums to events such as vintage automobile racing promotion and social change It thereby provides a thorough review of the impacts of automobile heritage on tourism A number of theories provide a framework and are analysed throughout including those related to the collection display exhibition and use of historic automobiles The title takes a global and interdisciplinary view of the subject with international contributions from both established and emerging scholars in the field This book adds to the industrial heritage tourism literature and will appeal to a diverse audience in particular those in the fields of cultural heritage and industrial heritage tourism but also practitioners involved with the planning restoration exhibition and management of automobile heritage attractions and events **Organizational Cultures of Remembrance** Daniel Mai, 2015-05-19 In a business world predominantly oriented toward the future it has paradoxically become ever more common that companies turn towards their pasts This book empirically explores the phenomenon of organizational remembrance from a holistic cultural perspective Based on a twelve month ethnographic case study conducted at the headquarters of the German automobile company AUDI AG this study dissects the relationships

between memory identity and image in a corporate setting The greater aim in doing so is twofold First this study examines exactly why and how a company officially manages its past in terms of history and tradition And second this study scrutinizes what effect organizational remembrance has on the workforce how it impacts their collective identification with a corporate community and influences their understanding of their daily working life By investigating the interplay between different stakeholder groups as well as their practices media mental models and other vehicles of remembrance an integrated account is offered which makes sense of the complex cultural forces at work in the corporate handling of the past the present and the future

Perfect Town Katie L. Daniels, 2002-05-24 Black Inventors was written to generate a state of awareness among all individuals regarding contributions made by Black Americans to this society The book contains the images of black inventors the drawings of their inventions and the dates of patent numbers with brief captions of each invention This book is not intended to give an in depth history of the inventors and their inventions but to provide general information and serve as a reference tool The book is easy reading and provides just enough information hopefully to facilitate further research

The Classic Car Adventure Lance Cole, 2017-06-30 Nothing is new under the sun and classic cars books come and go But here instead of a heavy large glossy book of classic car images and details destined to stay on a shelf is something new This book is designed to be read as a companion a book that can go in the car or on a plane and which can be read in full or dipped into anywhere for a classic car fix Old stories and new details are presented and cover all eras of our cars Gathered here is a compilation of the author's published and unpublished adventures and opinions about the design and the driving of some of the greatest cars in motoring history From vintage to modern classic pristine to oily rag up hill down dale and across continents award winning motoring author designer and serial classic car owner Lance Cole charts the great classic car enthusiasm in a series of engaging essays about cars car design and the men that made the motor industry From tales of Malcolm Sayer to Bedelia and of BMW Jaguar Bugatti and Porsche to tales of old Saabs and rusty Citroens classic car life is here Erik Carlsson Jacques Gerin Giovanni Michelotti and Innes Ireland are just a few of the names that can be found in these pages From design to driving here is a book that is a classic car adventure
