ME and SAM LeRoy Crume, 2014-03-06 This is the story of a skinny little country boy born in a little community called Swift Missouri Swift wasn't big enough to be a town It was just a dusty piece of farm land just off highway 61 That is not even charted on the map anymore My Dad was a farmer Not unlike most black men during that time in the south He earned his living that is if you could call it a living by the sweat of his brow plowing up farmland during the fall of the year and planting come the spring of the year and then came harvesting time a few months later That was the ritual for blacks and a few whites for the rest of their lives That is unless they were fortunate like some others and got a chance to leave that hell hole called a farm My dad I'm sure like his father and grand father before him did the same thing

Walking behind a plow and mules planting then came the chopping of the cotton and after that came the picking of the cotton Now that was a life s ritual from the time you were big enough to walk and talk until you were ready for the grave What a life Now the Crume s were fortunate enough to break that cycle at some point in life **River Child** Eleanor Millard,2011-09-29
