**The Big Activity Book for Teacher People** Jordan Reid,2022-04-12

A hilarious relatable way to honor the everyday heroes we all know and love with illustrated laugh out loud activities and journaling prompts Teachers They re basically superheroes They re educators sure but they re also counselors custodians referees detectives party planners epidemiologists and traffic controllers among the many many other jobs that they don t get paid for but should Part journal part coloring book part therapeutic outlet for those days when they actually cannot confiscate one more fidget spinner without screaming The Big Activity Book for Teacher People is a hilarious celebration of those resourceful creative compassionate exhausted humans who we entrust with the care and schooling of our children Activities include a word scramble of useless stuff you have to teach anyway draw the administrator in their natural habitat color in the break room of horrors things you do not want to receive from a parent like ever There is no teacher on the planet who needs another mug seriously just no

**Teachers Can Be Financially Fit** Tawni Hunt Ferrarini,M. Scott Niederjohn,Mark C. Schug,William C. Wood,2020-08-11

This book uses relatable case studies to dispense practical financial advice to educators Written by an expert team of four award winning economics educators the book provides an engaging narrative specifically designed for teachers and their unique financial needs Educators are attracted to the teaching profession for numerous reasons Prospective teachers enter the profession believing it offers a certain level of job security and good benefits usually including a defined benefit state funded pension But things are changing Pensions vary widely from state to state and even within school districts Many private schools do not offer even basic 403 b saving plans and when they do they are often not very generous Much the same can be said of many charter schools and private colleges and universities The book consists of fourteen chapters covering a comprehensive group of topics specifically curated for educators teaching at the K 12 and university level including saving for retirement managing debt investment strategies and real estate Each chapter begins with a case study of an educator in a specific financial situation which sets the scene for the introduction and explanation of key concepts The chapters include a Q A section to address common questions and conclude with a Financial 911 focusing on a financial emergency related to the chapter topic

*The Lazy Teacher's Handbook* Jim Smith,2017-02-21

Every chapter has been revised and some significantly expanded particularly those on planning conducting and reviewing lazy lessons Others have been updated with Jim s latest tried and tested techniques which all shift the emphasis away from the teaching and onto the learning Have you ever wondered what would happen in your classroom if you simply stopped teaching Over the last few decades the demands of countless education initiatives not to mention the pressures good teachers put on themselves have seen so much teaching squeezed into our lessons it must have squeezed out some of the learning Maybe if we spent a little less time teaching and gave students a little more time to learn things would be different Maybe this would allow us more opportunities to build relationships with the class and develop that all important

rapport with the individuals who might just need us most Maybe we could even reclaim our Sunday afternoons from planning and marking The Lazy Way can help you get more out of your students and at the same time help you to get your life back More than just a series of tricks the Lazy Way is something Jim Smith has put together over years of experience working with all sorts of learners and teachers who want their lessons to be different yet still be rewarded with academic success The approach was born out of Jim's frustration with doing a job he loves but being slowly killed by it in the process And as all good psychologists know if necessity is the mother of invention then frustration is the absent father and being knackered the grown up sibling who just won't leave home If you want your students to learn more and you to work less then The Lazy Teacher's Handbook provides you with all the arguments and evidence you need The new edition is packed full of even more easy to apply highly effective strategies which Ofsted have rated as outstanding all with the seal of approval from real students in real classrooms So next time someone tells you to get a life this book will make it possible Previously published as The Lazy Teacher's Handbook ISBN 9781845902896 The Lazy Teacher is a registered trademark The Lazy Teacher's Handbook first edition Winner of the 2012 Award for non-fiction bestselling English language Book from Wales The Lazy Teacher's Handbook New Edition Honorable Mention 2017 Foreword INDIES Awards in the Education category The Lazy Teacher's Handbook New Edition is a finalist in the 2018 Education Resources Awards in the Educational Book Award category

[Discerning the Entanglement: Christian Nationalism and Biblical Faith](#) Dr.

Richard A. NeSmith, 2025-04-28 Has our faith lost its way In our time Christian language is being weaponized to advance political agendas blurring the line between faith and nationalism Many believers are unknowingly swept into a movement that claims to honor Christ but distorts His Kingdom This book doesn't tiptoe It confronts With boldness and biblical conviction it challenges the Church to examine where our true allegiance lies and whether we've traded the cross for a flag This is a call to spiritual warfare not against people but against deception It's time to reclaim a faith rooted in Christ alone one that transforms us from the inside out and restores our witness in a world desperate for truth In an age of confusion this book equips readers to discern the difference between cultural loyalty and biblical fidelity Whether curious, conflicted, or concerned this is a wake-up call for every Christian who longs to follow Jesus more faithfully in a deeply divided world
