Amazon Prime Yearly Cost:

Amazon Paul Smith,Alexander Monea,Maillim Santiago,2022-11-28 Amazon is everywhere In our mailboxes in delivery vans clogging our streets in an increasing portion of our air traffic in our grocery stores on our televisions in our smart home devices and in the infrastructure powering many of the websites we visit Amazon s tendrils touch the majority of online retail transactions in the United States and in many other countries As Amazon changes the face of capitalist business it is also changing global culture in multiple ways This book brings together some of the most important analyses of Amazon s pioneering business practices and how they intersect with and affect the components of everyday culture Its contributors examine the political economy of Amazon s platform making the argument that it operates as an unregulated monopoly that is disruptive to the global economy and that its infrastructure and logistical operations increasingly alienate its workers and wreak many other social harms Our contributors outline the practices of resistance that have been employed by organizers ranging from Amazon employees to artists to digital piecemeal laborers working on Amazon s Mechanical Turk platform They examine the broader cultural impact that Amazon has had looking at things like Amazon Prime and the creation of unending consumption the absorption of Whole Foods and its brand of conscious capitalism and the impact of Amazon Studios and Prime Video on everyday film and television viewing practices This book examines the broader environmental impacts that Amazon is having on the world looking at the slow violence it incurs its underwhelming Climate Pledge and the regional impacts that its business practices have Lastly this book gathers together some important artistic responses to Amazon for the first time in an appendix that offers readers insight into other ways in which critics of the company are making their voices heard and attempting to move broader audiences into solidarity against Amazon

The Shopping Revolution, Updated and Expanded Edition Barbara E. Kahn,2021-04-30 Featured in The New York Times Bloomberg and Vox The Shopping Revolution is a brisk and thought provoking anatomy of shopping in the 21st century Kirkus Reviews The retail industry was already in the midst of unparalleled disruption Then came COVID 19 In a fully updated and expanded edition of The Shopping Revolution How Retailers Succeed in an Era of Endless Disruption Accelerated by COVID 19 Wharton professor Barbara E Kahn a foremost retail expert examines the companies that have

been most successful during a tsunami of change in the industry She offers fresh insights into what we can learn from these companies ascendance and continued transformation in the face of unprecedented challenges Kahn also the author of Global Brand Power Leveraging Branding for Long Term Growth examines In a brand new chapter how companies in China like Alibaba JD com and Pinduoduo have changed the game How Amazon became the retailer of choice for a large portion of the US population and how other companies have chosen to work with them or have to compete against them How Walmart beat out other grocers in the late 1990s to become the leader in food retailing and how they must pivot to hold their leadership position today How Warby Parker dared to compete against Luxottica in the lucrative eyewear business and what that can tell start ups about how to carve out a niche against a Goliath How Sephora drew away customers from once dominant department stores to become the go to retailers for beauty products Kahn argues we are just witnessing the start of the radical changes in retail that have been hastened by the pandemic and will revolutionize shopping in every way Building on these insights Kahn offers a framework that any company can use to create a competitive strategy to survive and thrive in today s and tomorrow s retail environment *FCC Record* United States. Digital Dominance

Martin Moore,Damian Tambini,2018 Across the globe Google Amazon Facebook Apple and Microsoft have accumulated power in ways that existing regulatory and intellectual frameworks struggle to comprehend A consensus is emerging that the power of these new digital monopolies is unprecedented and that it has important implications for journalism politics and society It is increasingly clear that democratic societies require new legal and conceptual tools if they are to adequately understand and if necessary check the economic might of these companies Equally that we need to better comprehend the ability of such firms to control personal data and to shape the flow of news information and public opinion In this volume Martin Moore and Damian Tambini draw together the world s leading researchers to examine the digital dominance of technologies platforms and look at the evidence behind the rising tide of criticism of the tech giants In fifteen chapters the authors examine the economic political and social impacts of Google Amazon Facebook Apple and Microsoft in order to understand the different facets of their power and how it is manifested Digital Dominance is the first interdisciplinary volume on this topic contributing to a conversation which is critical to maintaining the health of democracies across the world
