Office of the Assistant Secretary for Health and Scientific Affairs, **Unequal Lives** Nicholas A. Bainton, Debra McDougall, Kalissa Alexeyeff, John Cox, 2021-01-18 As we move further into the twenty first century we are witnessing both the global extensification and local intensification of inequality Unequal Lives deals with the particular dilemmas of inequality in the Western Pacific The authors focus on four dimensions of inequality the familiar triad of gender race and class and the often neglected dimension of generation Grounded in meticulous long term ethnographic enquiry and deep awareness of the historical contingency of these configurations of inequality this volume illustrates the multidimensional multiscale and epistemic nature of contemporary inequality This collection is a major contribution to academic and political debates about the perverse effects of inequality which now ranks among the greatest challenges of our time The inspiration for this volume derives from the breadth and depth of Martha Macintyre s remarkable scholarship The contributors celebrate Macintyre s groundbreaking work which exemplifies the explanatory power ethical force and pragmatism that ensures the relevance of anthropological research to the lives of others and to understanding the global condition Unequal Lives is an impressive collection by Melanesianist anthropologists with reputations for theoretical sophistication ethnographic imagination and persuasive writing It brilliantly illuminates all aspects of the multifaceted scholarship of Martha Macintyre whose life and teaching are also highlighted in the commentaries tributes and interview included in the volume Robert J Foster Professor of Anthropology and Visual and Cultural Studies Richard L Turner Professor of Humanities University of Rochester Inspired by Martha Macintyre s work the contributors to Unequal Lives show that to theorise inequality is a measured project one that requires rescaling its exercise over several decades in order to recognise the reality of inequality as it is known in social relations and to document it critically unravelling their own readiness to misjudge what they see from the lives that are lived by the people with whom they have lived and studied This fine volume shows how the ordinariness of everyday work and care can be a chimera wherein the apparent reality of inequality might mislead less critical reports to obscure its very account From reading it we learn that such unrelenting questioning of what makes lives unequal becomes the very analytic for better understanding lives as they are lived Karen M Sykes Professor of Anthropology University of Manchester The Art of the Qur'an Massumeh Farhad, Türk ve İslâm Eserleri Müzesi, François Déroche, Zeren Tanındı, 2016 Published on the occasion of the exhibition The Art of the Qur'an Treasures from the Museum of Turkish and Islamic Arts Istanbul held at the Arthur M Sackler Gallery Washington D C October 15 2016 February 20 2017 **The Suffering of God in the Eternal Decree** Nixon de Vera, 2020-06-15 This book seeks to unpack the evolution of Barth s

The Great Divide and the Salvation Paradox David P. Griffith, 2022-04-07 The church in its first centuries split on whether Christ saved everyone or a few Universalism versus Exclusivism In the sixth century the church settled the issue seemingly and held that Universalism was heresy This book reviews this history as well as what provoked it Scripture on its face gives two contradictory accounts of salvation's extent everyone is ultimately saved and everyone is not In contrast to both Exclusivism and Universalism the book takes Scripture's two accounts of salvation's extent as true that is as a paradox This is the approach the church has taken with other scriptural paradoxes Saying one God is three or one Son is both God and man appeared to be contradictory too but to embrace Scripture entirely these were seen as paradoxical The Trinity modeled how one can be three and the hypostatic union modeled how one can be two For the paradox of salvation's extent the answer lies in the individual's divisibility in the afterlife one can be two That is in ultimate salvation each individual can be both saved and unsaved
