10 Virtues of Outstanding Leaders Al Gini, Ronald M. Green, 2013-03-05 What makes a good leader Ten leaders ten key virtues This readable distillation of the core common features of successful leaders shows how an individual's character and especially their virtue is the defining factor Without these ten vital virtues leadership becomes misleadership The authors both renowned business ethicists combine theory with fascinating biographical detail on exemplary leaders such as Abraham Lincoln Winston Churchill and Oprah Winfrey The result is an accessible text on the ethics of leadership which unlike many publications that claim to reveal the secrets of success as a leader is informed by a wealth of exceptional academic experience

Shaped for Service Paul W Goodliff, 2017-11-30 In the English speaking Western world alone thousands of men and women begin formal training for Christian ministry each year or informally seek to equip themselves for pastoral ministry Over the past fifty years the ancient world of virtue ethics has been re imagined as a means of forming people of character and morality today In *Shaped for Service* this experience is used as the framework to understand what we are doing as we form Christian ministers now and how we might strengthen that development by more consciously linking the practices of ministry with the person spirituality and wisdom of the practitioner Writing from the context of a lifetime of pastoral ministry and the oversight of ministers in the Baptist Union of Great Britain Goodliff explores what pastors do and who they are called to be using a mixture of theological and pastoral enquiry reflections upon art and personal story This book will be of interest to those who are charged with forming the next generation of ministers but anyone beginning that journey of formation for ministry themselves will also find this vision of ministry challenging and inspiring *Fundamentals:*
