will know the behind the scenes details told here with gripping effect Featuring some of history s most remarkable characters page turning action and vivid details Countdown 1960 follows a group of extraordinary politicians civil rights leaders Hollywood stars labor bosses and mobsters during a pivotal year in American history The election of 1960 ushered in the modern era of presidential politics with televised debates private planes and slick advertising In fact television played a massive role More than 70 million Americans watched one or all four debates The public turned to television to watch campaign rallies And on the night of the election the contest between Kennedy and Nixon was so close that Americans were glued to their televisions long after dawn to see who won The election of 1960 holds stunning parallels to our current political climate There were potentially valid claims of voter fraud and a stolen election There was also a presidential candidate faced with the decision of whether to contest the result or honor the peaceful transfer of power *Cape Wind*
