Notebook Linda Dahl,2025-07-30 John and Erica Mason Grey are hard working artists and loving parents but when John dies their teenage daughter Mona s casual drug use spirals into heroin addiction She and her mother soon begin an anguished game of hide and seek leading to countless arguments arrests thefts rehabs and relapse a recurring nightmare that seems to have no end Ultimately it s only when each of them finds a way to accept their new reality Mona by taking charge of her own recovery and Erica by focusing on her own vitality that each experiences the unexpected joy and renewal that await those who decide to stop living in the bad dream of addiction Unflinching about the ways the disease of addiction can torpedo a family yet leavened with dollops of humor *The Bad Dream Notebook* will resonate with anyone who has lived through the agony of a loved one s drug dependency **Accidental Feminism** Swethaa S. Ballakrishnen,2021-01-12 Exploring the

unintentional production of seemingly feminist outcomes In India elite law firms offer a surprising oasis for women within a hostile predominantly male industry Less than 10 percent of the country s lawyers are female but women in the most prestigious firms are significantly represented both at entry and partnership Elite workspaces are notorious for being unfriendly to new actors so what allows for aberration in certain workspaces Drawing from observations and interviews with more than 130 elite professionals *Accidental Feminism* examines how a range of underlying mechanisms gendered socialization and essentialism family structures and dynamics and firm and regulatory histories afford certain professionals egalitarian outcomes that are not available to their local and global peers Juxtaposing findings on the legal profession with those on elite consulting firms Swethaa Ballakrishnen reveals that parity arises not from a commitment to create feminist organizations but from structural factors that incidentally come together to do gender differently Simultaneously their

research offers notes of caution while conditional convergence may create equality in ways that more targeted endeavors fail to achieve accidental developments are hard to replicate and are in this case buttressed by embedded inequalities

Ballakrishnen examines whether gender parity produced without institutional sanction should still be considered feminist In offering new ways to think about equality movements and outcomes **Accidental Feminism** forces readers to critically consider the work of intention in progress narratives **Since 1948** Nancy E. Berg, Naomi B. Sokoloff, 2020-10-01 2021 CHOICE Outstanding Academic Title Toward the end of the twentieth century an unprecedented surge of writing altered the Israeli literary scene in profound ways As fresh creative voices and multiple languages vied for recognition diversity replaced consensus Genres once accorded lower status such as the graphic novel and science fiction gained readership and positive critical notice These trends ushered in not only the discovery and recovery of literary works but also a major rethinking of literary history In **Since 1948** scholars consider how recent voices have succeeded older ones and reverberated in concert with them how linguistic and geographical boundaries have blurred how genres have shifted and how canon and competition have shaped Israeli culture Charting surprising trajectories of a vibrant challenging and dynamic literature the contributors analyze texts composed in Hebrew Yiddish and Arabic by Jews and non Jews and by Israelis abroad as well as writers in Israel What emerges is a portrait of Israeli literature as neither minor nor regional but rather as transnational multilingual and worthy of international attention **Constructing the Adolescent Reader in Contemporary Young Adult Fiction** Elisabeth Rose Gruner, 2019-05-17 This book examines the way young adult readers are constructed in a variety of contemporary young adult fictions arguing that contemporary young adult novels depict readers as agents Reading these novels suggest is neither an unalloyed good nor a dangerous ploy but rather an essential occasionally fraught by turns escapist and instrumental deeply pleasurable and highly contentious activity that has value far beyond the classroom skills or the specific content it conveys After an introductory chapter that examines the state of reading and young adult fiction today the book examines novels that depict reading in school gendered and racialized reading reading magical and religious books and reading as a means to developing civic agency These examinations reveal that books for teens depict teen readers as doers and suggest that their ability to read deeply critically and communally is crucial to the development of adolescent agency

American Dream, American Nightmare Kathryn Hume, 2022-08-15 In this celebration of contemporary American fiction Kathryn Hume explores how estrangement from America has shaped the fiction of a literary generation which she calls the Generation of the Lost Dream In breaking down the divisions among standard categories of race religion ethnicity and gender Hume identifies shared core concerns values and techniques among seemingly disparate and unconnected writers including T Coraghessan Boyle Ralph Ellison Russell Banks Gloria Naylor Tim O'Brien Maxine Hong Kingston Walker Percy N Scott Momaday John Updike Toni Morrison William Kennedy Julia Alvarez Thomas Pynchon Leslie Marmon Silko and Don DeLillo Hume explores fictional treatments of the slippage in the immigrant experience between America's promise and its reality She exposes the political link between contemporary stories of lost innocence and liberalism's inadequacies She also invites us to look at the literary challenge to scientific materialism in various searches for a spiritual dimension in life The expansive future promised by the American Dream has been replaced Hume finds by a sense of tarnished morality and a melancholy loss of faith in America's exceptionalism *American Dream American Nightmare* examines the differing critiques

of America embedded in nearly a hundred novels and points to the source for recovery that appeals to many of the authors

(In)Visible Presence: Feminist Counter-narratives of Young Adult Literature by Women of Color Traci P.

Baxley, Genyne Henry Boston, 2014-09-02 Current school systems create a generation of students who experience institutional practices that honor other students needs those students who share the values of those with power and have pathologized other groups specifically women of color In Visible Presence intends to contribute to existing pedagogy which empowers students teachers administrators and policy makers to develop participatory membership in schools and among citizens who can begin to create an anti oppressive society In Visible Presence contains a holistic thematic approach to exploring young adult YA novels written by women of color while providing cultural and historical contexts for interpreting and analyzing their work through a feminist lens Unlike other scholarship In Visible Presence uses a feminist theoretical framework to create a space in which select literary works offer counter narratives that can be analyzed and critically interpreted according to principles and ideas intended to validate women thus making their triumph over racism sexism classism and heterosexism and equity challenges a visible cause relegating consequential change for both young girls and women of color In Visible Presence maintains current discourse dialogue through a concentration on the intersectionality of gender race and class identities and how these identifiers serve as criteria for privilege and marginalization even in YA literature In Visible Presence aims to explore YA literature written by women of color represented by African American Asian American Indian American and Latina Americans Our theoretical perspective focuses on the connection of race gender and class that is exclusive to women of color The construction of voice and space is important for readers to hear from those once silenced
