has a plan me There s a plan for all of us I am a radical follower of Christ with whom I have a deep and intimate connection In him I will store all of my faith for the remainder of my days Ivan King Author s Favorite Quote Life is a comedy to those who think a tragedy to those who feel christianity christianity free mere christianity core christianity history of christianity christianity books christianity books free christianity books for women christianity [The Encyclopedia of Christian Literature](#) George Thomas Kurian,James D. Smith III,2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles **Making the Best of It: Following Christ in the Real World** John G. Stackhouse,2008-03-05 What should be the Christian s attitude toward society When so much of our contemporary culture is at odds with Christian beliefs and mores it may seem that serious Christians now have only two choices transform society completely according to Christian values or retreat into the cloister of sectarian fellowship In Making the Best of It John Stackhouse explores the history of the Christian encounter with society the biblical record and various theological models of cultural engagement to offer a more balanced and fruitful alternative to these extremes He argues that rather than trying to root up the weeds in the cultural field or trying to shun them Christians should practice persistence in gardening God s world and building toward the New Jerusalem Examining the lives and works of C S Lewis Reinhold Niebuhr and Dietrich Bonhoeffer for example and direction Stackhouse suggests that our mission is to make the most of life in the world in cooperation with God s own mission of redeeming the world he loves This model takes seriously the pattern of God s activity in the Bible and in subsequent history of working through earthly means through individuals communities and institutions that are deeply flawed but nonetheless capable of accomplishing God s purposes Christians must find a way to live in this world and at the same time do work that honors God and God s plan for us In an era of increasing religious and cultural tensions both internationally and domestically the model that Stackhouse develops discourages the all or nothing attitudes that afflict so much of contemporary Christianity Instead he offers a fresh and refreshingly nuanced take on the question of what it means to be a Christian in the world today *The True Christian's Love for the Unseen Christ* Thomas Vincent,2025-05-30 Christian live is primarily motivated by our love for Christ Without manifesting love to Christ we are as

entirely lacking spiritual life as a dead body lacks life when its soul departs for the other world Therefore professing a belief without loving Christ is dead religion and thus a professed believer who has no love to Christ is a dead man dead in transgression and sin Without a biblical love to Christ we may pretend to be Christians but we would lack entirely the true nature of a Christian In treating the true love of Christians towards Christ this book is like any other Puritan devotion intertwined with clear doctrine and sharp biblical precision in statements permeates this book on every page of it You will be unable to put it down and your life and devotion to Christ will be changed forever This book was originally published in 1812 under the title *The True Christian's Love for the Unseen Christ* The current edition has been proofread typeset for eBook readers and slightly updated for modern readers

The Life and Death of Mr. Badman John Bunyan,2025-05-30 If you ever read the classic *Pilgrim's Progress* you would be one of the happy ones who found out how man can get to heaven and what it takes to that But there is the other side of the story A sad story of Mr Badman a character whose life is nothing less than the opposite of the Christian A life lost A soul lost And all these in spite of so many opportunities and in spite of so much knowledge of the way to heaven Apart from the sad story of Mr Badman there is a mountain of lessons to learn for any reader Christian or not Truly evangelistic This book was originally published in 1680 This edition has been proofread typeset for eBook readers and updated for modern readers

The Glory of the Redeemer Octavius Winslow,2025-06-01 The world looks at the Person and the work of Jesus Christ as if there would be a total failure because of its live your life now approach For the world Christ may have existed but He failed to solve man's dilemma of suffering pain and death because the world looks at the outward things But for those who have been saved by this Christ He is a glorious Redeemer He is glorious by being the very revelation of God the Father He is glorious in His creating and coming in this fallen world He is glorious His humiliation in His death and in His resurrection He is glorious in His ascension and exaltation and He will be glorious in His second coming In this book the author invites you on a journey to learn more of this glorious Redeemer to adore Him more to praise Him more This book was originally published in 1844 This edition has been edited proofread and lightly adapted for modern readers together with an interactive table of contents for eBook readers
