Biblical Dream Interpretation:

Biblical Principles of Dream Interpretation Dr. D. K. Olukoya, 2014-06-30 Throughout the scriptures we have discovered some outstanding characters who remain symbols of excellence till date The characters attained great feats and broke new ground after experiencing a life changing encounter with God The author with the pen of a ready writer skilfully draws powerful principles from their experiences These principles are laid bare for the modern day Christian to apply in their personal walk with God This book will help you experience the divine presence which will move your life forward You would receive spiritual vision The way of divine encounter will take you to a realm where demons will see you and tremble and evil powers will be frightened stiff when they discover the transforming power of an encounter with God The book will flag off a new passion for God in your life *Dreams Revealed: Handbook for Biblical Dream Interpretation* Terri Meredith, 2015-08-10 Dreaming is a time when God has our undivided attention and He can speak to us without us talking back or busying ourselves with something else that drowns out His voice He uses dreams to tell us things about our purpose prayers character and even hidden sin An incredible amount of information is available to us in dreams if we will tap in to them and get understanding As part of the Dreams Revealed series the handbook for biblical dream interpretation provides the basic tools and information to get dreamers started understanding dreams The book contains the scientific and spiritual basics of dreaming an explanation of what to do with dreams instructions for how to interpret dreams and a dream symbol dictionary to explain the spiritual meanings behind words *Illustrated Dictionary of Dream Symbols* Joe Ibojie, 2011-07-28 Here is a book you will refer to again and again Clear authoritative and as complete as possible this book will help to open a new world of communication between you the Lord you love See what others are saying about this great book When used through the Holy Spirit it this book can help the reader take away the frustration of not knowing what dreams mean and avoid the dangers of misinterpretation Joseph Ewen Founder and Leader of Riverside Church Network Banff Scotland UK This book is a treasure chest loaded down with revelation and the hidden mysteries of God that have been waiting since before the foundation of the earth to be uncovered Bishop Ron Scott Jr President Kingdom Coalition International Hagerstown MD The Illustrated Bible Based Dictionary of Dream Symbols is much more than a book of dream symbols it has also added richness to our reading of God s Word Robert and Joyce Ricciardelli Directors Visionary Advancement Strategies Seattle WA **A to Z Christian Dream Symbols Dictionary** John Mark Volkots, 2016-03-17 Many Christians believe we are living in both the most exciting and also the most precarious worldwide state of affairs in all of history as God is moving to bring the ages to a close Therefore it is imperative and even critical for God s people to place themselves in a position to hear what He is speaking and directing us to do in these times From the beginning of time dreams have been a major way that God speaks to His people therefore it is important for us to understand the messages in the dreams that He gives us Because dreams and visions are filled with symbolic language it is essential to properly interpret what the symbols mean if

we are to understand the message God is communicating to us through our dreams There are many excellent Christian teachings on dream interpretation and rather than bring forth material that is already available my desire instead is to place in your hands over 2400 symbols with most of them having a multitude of meanings to assist and train you in unlocking the mysteries of not only your dreams but also the dreams of others Since it is God's voice alone we want to hear and understand we have no interest in knowing how the world that is out of touch with God interprets dream symbols Every interpretation must be God derived otherwise we will not be receiving the truth of what He desires us to know For that reason the overwhelming majority of the symbol meanings found in this book are derived from the Bible with the remainder sourced from tested Christian dream courses teachers and from interpreting the dreams of Christians God desires you to know what He is speaking to you so be encouraged that with the help of this book you will be able to unlock the meanings and messages of your dreams
