Avery, 2024-08-19 There is an erroneous doctrine that is the result of misinterpretation and contextual errors that is gaining momentum in religious organizations The use of a peculiar verbiage that changes the narrative of the word of God is being taught from palatial mega churches to small storefront edifices The teaching of generational curses conveys the false message that born again Spirit led believers in Jesus Christ can be the recipient of generational curses In these volatile uncertain times believers are being sold biblical snake oil as an answer to why they are unable to overcome a multiplicity of failures in their lives Because of the lack of dedicated personal study of the scriptures believers are gravitating to a teaching that has changed the narrative of what Jesus Christ taught in the gospels This book is the journey of an angry rebellious teen who was indoctrinated by his mother into believing he was generationally cursed His life was in the fast lane of a highway heading in the wrong direction toward eternal destruction However Jesus Christ intervened guided him to an exit and led him to the heaven bound highway He transitioned from an incarcerated prisoner of sin to a liberated prosecutor of generational curses In a unique creative exposition Elder Richard Avery examines how from the beginning Satan uses the tactic of changing the narrative of God's word to confuse believers and corrupt their belief in the word of God With the use of contextual accuracy he prosecutes the cursed words from the Bible that are being used to imprison those whom the Son has set free Teaching Torah Sorel Goldberg Loeb, 1997 A teacher's bible for teaching the Five Books of Moses This invaluable guide for preparing to teach or study the weekly Torah portion provides a precise synopsis of each of the 54 parashiyot as well as overviews of commentaries and sources capsule biographies of Torah interpreters and provocative questions Over 1 000 unusual strategies help readers analyze extend and personalize the text A bibliography and a thematic index make this an especially useful resource for Bar Bat Mitzvah preparation sermon D'var Torah ideas and Havurah discussions *The Youth Group Meeting Guide* Richard Bimler, 1984 **Cain versus Abel: Not an Open and Shut Case** Gordon Kainer, 2018-02-04 While this story reads like a short police report Cain and Abel's tragic narrative plays a definitive role in the biblical saga called the great controversy As we review their story we might assume that if we had a chance to meet Cain and Abel just by looking we could easily determine who was the kind Abel and who was the mean spirited Cain Are you sure Would you be surprised to learn Abel was

guilty of viewing Cain from a superficial perspective that gave him a misleading impression of his brother As we study their lives it s easy for us to have preconceived ideas because we don t know what was going through Cain s mind until Cain s behavior plainly displays it for all of us to see It s human to be biased But that s not God s way of judging This book dives deeper into the story to reveal God s perspective I invite you to dive in with me as objectively as possible Don t prejudge Be persuaded by biblical evidence wherever it leads you

Unpacking Forgiveness Chris Brauns,2008-09-03 Helps readers move beyond the wounds and baggage of bitterness disagreements and broken relationships True or false most Christian pastors and counselors agree on what forgiveness is and how it should take place This question is part of Chris Brauns s Forgiveness Quiz that draws readers into his book and gets them thinking about the subject of forgiveness The truth is pastors and counselors disagree profoundly on this subject Unpacking Forgiveness combines sound theological thinking and honesty about the complicated questions many face to provide readers with a solid understanding of biblical forgiveness Only God s Word can unpack forgiveness The wounds are too deep for us to find healing on our own and the questions are too complex to be unraveled by anything but the wisdom of God This book goes beyond a feel good doctrine of automatic forgiveness balancing the beauty of God s grace and the necessity of forgiveness with the teaching that forgiveness must take place in a way that is consistent with justice
