Big Town Pimp:

Lou's Boy Winnie Ace,2015-12-14 Lou birthed all three of her children out of wedlock They live in a small conservative town in the hills of western Pennsylvania where townspeople hold to traditional values The oldest child Derek is a high school student there and his mothers shameful past has socially hindered him Now shes having an affair with one of the more upright citizens of Alton The scandal brings out the worst for a few the best in the citizens of Alton and further alienates mother and son Calvin the elderly school janitor has failed in his own education A man of exceptional character he endeavors to keep the school premises neat and safe to encourage the students at Alton High in their learning But its his wise counsel that brings Derek through this difficult time This janitor plays a unique role in Dereks life [The Gangs of Zion](#) Ron Stallworth,2024-09-17 New York Times bestselling author of Black Klansman Ron Stallworth returns with another firsthand account of trailblazing police work in the most unlikely place for a Black cop in the 90s Determined to pursue his passion for undercover work wherever it leads Ron Stallworth finally lands in Salt Lake City Utah Once again he s an outsider not only as a Black man on a mostly white police force but also as an unapologetic nonbeliever in a state dominated by the Church of Jesus Christ of Latter Day Saints But soon after his first drug bust in the Beehive Stallworth makes a startling discovery Bloods and Crips are infiltrating Mormon Country threatening to turn the deeply conservative community into a hotbed of crime Kids are bombing homes while carrying pocket versions of the Book of Mormon yet his fellow cops are in denial that gangs are wreaking havoc in their Christian town Now Stallworth has a new mission Whether facing off with skinheads at a downtown bar or schooling white Crips blasting F ck tha Police he is intent on stemming the tide of gangs into the state But those he expected to be his allies either have their heads in the sand or their own agendas from the racist Mormon legislator to the community activist exploiting a fatal gang incident to spread paranoia over an imaginary race war As he butts heads with these so called leaders Stallworth also realizes that gangsta rap has the key to the g code He becomes obsessed with even defensive of the music he once loathed and puts himself on the front lines of America s culture war Now he s spitting uncensored lyrics before Congress and taking the stand in the 1993 murder case that puts hip hop on trial But the more Stallworth speaks truth to power the more determined the gatekeepers in Utah are to silence him and not even twenty three years of police work could prepare him for how low they would stoop **Diamonds and Deceit** Gene Coyle,2011-03-30 Karl Beck is a former KGB officer who defected to America at the end of the Cold War and was resettled with his new name as a Slavic Literature professor at Indiana University Beck is sixty but tall athletic and a charming man of the world He is falling in love with Cathleen an attractive woman half his age of the History department whose mother and grandfather had been part of the underground IRA of Northern Ireland He eventually reveals his true past to her and also that in the last few years he has become involved with a secret private espionage group While doing academic research Beck stumbles across a lead to the location of a large cache of diamonds that had belonged to the Romanov Dynasty of Russia jewels that had gone missing

back in July 1918 when the czar and the royal family were all assassinated or were they Karl and Cathleen travel to Russia to pursue the clues and try to solve the puzzle of where the jewels had allegedly been hidden back in 1938 Complicating their quest is a Russian Mafia boss who has also learned of the prize they seek and the Russian government that would still like to see Beck dead The couple is assisted by a number of people including her IRA grandfather However within the complicated world of espionage all is not always as it seems and Karl must figure out who are really his friends and whether he can he ever truly leave his KGB past behind him
