American in the traditional sense they're the international foods we love to order at restaurants or have delivered to our homes. But most renditions of these beloved ethnic dishes are full of fat and calories. How can dieters get the flavor they crave without buying one of those reduced-calorie frozen meals that are full of salt and other preservatives? Now with *The Biggest Loser Flavors of the World Cookbook* you can have your lasagna and eat it too. With more than 75 recipes for favorite ethnic staples as well as legendary regional American cuisine created by Chef Devin Alexander and *The Biggest Loser* contestants, healthy eating has never been more exciting. Discover how former contestants reinvented favorite dishes from their own cultures and regions to fit into their healthy new lifestyle and how to cut the calories and fat from America's most loved ethnic foods. And Chef Devin Alexander's reliably decadent creations save both money and calories as any of these dishes can be made at home for a fraction of the cost of a restaurant or take-out meal. The book will include recipes for meals, snacks, dinners, and desserts and will cover a wide range of cuisines from the down-home Southern classics to delicious Asian dishes, Mexican favorites, hearty Italian meals, and many others. The book also includes cooking tips from Chef Devin, weight-loss advice from the contestants and trainers, and an overview of the *The Biggest Loser* food plan. *The Biggest Loser Flavors of the World Cookbook* shows you how to expand your culinary horizons without expanding your waistlines.

The Biggest Loser

Biggest Loser Experts and Cast, Maggie Greenwood-Robinson, 2005-09-29. The book fans have been clamoring for the diet and exercise plan that enabled contestants to transform their bodies and their lives on TV's smash-hit reality show. *The Biggest Loser* was NBC's surprise hit of the Fall 2004 television season, drawing a passionate audience and prompting people nationwide to start their own *Biggest Loser* competitions. This unscripted weight-loss drama was based on overweight contestants competing to lose weight and win a quarter of a million dollars with the help of a team of doctors, dietitians, and trainers Bob Harper and Jillian Michaels. On the evening that the first season's finale aired, legions of fans went to the NBC website to look for the diet and fitness plan that the contestants used. It wasn't available to the public until now. With this book, people looking for change can accomplish the same type of radical makeover of their bodies, their health, and their lives that they saw on *The Biggest Loser*. The book features the food and fitness plans from Maggie Greenwood-Robinson, Cheryl Forberg, Michael Dansinger, and *Biggest Loser* Experts and Cast Staff, and motivational tips from the contestants themselves. The contestants' compelling stories and reasons for losing weight, dramatic before and after photos, and real-life advice provide the inspiration and upbeat attitude that made this show a smash hit.
