such a treatise had often been received at their office during the past few years Well to make a long story short this book is largely the result of their encouragement and kindness without such helps I very much doubt whether the idea ever would have materialized into clear type Harriet has helped me too bless her heart So have Tim and Farmer Vincent And so have the artists designers engravers and photographers who are connected with the Wilmer Atkinson Co About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
