Gardner's Book of Shadows Gerald B. Gardner, 2000-03-01 *The Gardnerian Book of Shadows* Gerald Gardner, Magus leaves circle by the doorway goes to Postulant and says Since there is no other brother here I must be thy sponsor as well as priest I am about to give you a warning If you are still of the same mind answer it with these words Perfect Love and Perfect Trust Placing the point of the sword to the Postulant's breast he says O thou who standeth on the threshold between the pleasant world of men and the domains of the Dread Lords of the Outer Spaces hast thou the courage to make the Assay For I tell thee verily it were better to rush on my weapon and perish miserably than to make the attempt with fear in thy heart Postulant I have two Passwords Perfect Love and Perfect Trust Magus drops the sword point saying All who approach with perfect love and perfect trust are doubly welcome Going around behind her he blindfolds her then putting his left arm around her waist and his right arm around her neck he pulls her head back says I give you the 3rd password a Kiss to pass through this dread Door and pushes her forward with his body through the doorway and into the circle Once inside he releases her saying This is the way all are first brought into the circle Magus closes the doorway by drawing the point of the sword across it three times joining all three circles saying Agla Azoth Adonai then drawing three pentacles to seal it Magus guides Postulant to south of altar and whispers Now there is the Ordeal Taking a short piece of cord from the altar he ties it around her right ankle saying Feet neither bound nor free Taking a longer cord he ties her hands together behind her back then pulls them up so that the arms form a triangle and ties the cord around her neck leaving the end dangling down in front as a Cable Tow With the Cable Tow in his left hand and the sword in his right hand the Magus leads her sunwise around the circle to the east where he salutes with the sword and proclaims Take heed O Lords of the Watchtowers of the East name properly prepared will be made a Priestess and a Witch Magus leads her similarly to the south west and north making the proclamation at each quarter clasping Postulant around the waist with his left arm and holding the sword erect in his right hand he makes her circumambulate three times around the circle with a half running half dancing step He halts her at the south of the altar and strikes eleven knells on the bell **Shades and Shadows** H. W. Gardner, 1922 **The Gardnerian Book of Shadows** Gerald Gardner, 2015-08-05 This is the text of the Gardnerian Book of Shadows In one sense this is the central sacred text of the Wicca religion However it is important to point out that there is no official Book of Shadows Typically each coven has a hand written copy of a Book of Shadows sometimes in cypher or code which reflects its own practices and knowledge This particular text is derived from a file posted on the Internet in the early 90s and quotes previously published material which was known to be in use by Gardner and his group The Book of Shadows was attributed by Gardner to an ancient clandestine witch cult which he claimed to have been initiated into However modern researchers have concluded that it was composed by Gardner The text shows influences from English and Celtic Folk lore the Enochian system of John Dee Thelema the Golden Dawn Stregaria Tantric Yoga the KJV Bible and even Kipling This version organizes

the material in chronological order and has estimated dates for each section ranging from 1949 to 1961 The copyright status of this text can best be described as orphaned This version was compiled by Aidan A Kelly It was originally posted on the Internet in the mid 90s as part of the Internet Book of Shadows material Text in square brackets is Kelly s commentary
