

The following list has been taken from AQA's Subject Specific vocabulary for the GCSE Economics 8136 specification. The official list can be located on AQA's website.

Candidates should be familiar with, and gain understanding from all of these terms.

Average revenue

Average income from the sales of each individual good (total revenue/quantity).

Appreciation

When the value of one currency rises in value to another.

Balance of payments

A record of all financial transactions between the UK and the rest of the world.

Balance of payments (current account) deficit

When the value of the UK's exports of goods and services are less than the value of imported goods and services. $X < M$.

Balance of payments (current account) surplus

When the UK's exports of goods and services are greater than the values of imported goods and services. $X > M$.

Balance of trade

The part of the current account that records the sales and purchase of physical items between the UK and the rest of the world.
