

Buckley's Story

Lessons from
a Feline Master Teacher

Ingrid King loves animals, and in Buckley's Story she deals as thoughtfully as her previous creations — in particular, her "ginger tomcat" named Buckley — with truth as best as she can learn in the world.

Newbigging,1893 **Creating White Australia** Jane Carey,Claire McLisky,2009-11-16 The adoption of White Australia as government policy in 1901 demonstrates that whiteness was crucial to the ways in which the new nation of Australia was constituted And yet historians have largely overlooked whiteness in their studies of Australia s racial past Creating White Australia takes a fresh approach to the question of race in Australian history It demonstrates that Australia s racial foundations can only be understood by recognising whiteness too as race Including contributions from some of the leading as well as emerging scholars in Australian history it breaks new ground by arguing that whiteness was central to the racial ideologies that created the Australian nation This book pursues the foundations of white Australia across diverse locales It also situates the development of Australian whiteness within broader imperial and global influences As the recent apology to the Stolen Generations the Northern Territory Intervention and controversies over asylum seekers reveal the legacies of these histories are still very much with us today
