Title: Exploring a Teaching Career Through an Energy Lesson

Subject: Science, English and Technology

Grades: 9-12

Brief Description

Students research energy and the need for conservation, develop a lesson plan on energy for elementary students and teach the lessons at an elementary school.

Objectives

- Students identify information on energy and conservation
- Students will demonstrate the use of various methods of communication
- Students will research, compose, and orally present information using appropriate technology.
- Students will analyze the occasion and interests of the audience and choose effective verbal and nonverbal techniques (e.g., voice, gestures, eye contact) for presentations.

Materials Needed (May vary due to student's selection of topic and how they wish to create their project)

- Internet access
- Presentation software
- Copy machine
- Laptop computers
- LCD data projectors

Lesson Plan

- Brainstorm with students to find out what they know about energy and what they think elementary students should know about energy.
- Form small groups of students (2-3 per group). Each group selects a grade level to target for teaching about energy. Each group must develop a presentation on energy and an activity that supports the lesson on energy.
- Students research energy and develop their presentation
- The group must create a script from which each member of the group is able to present the lesson and answer questions.
- Students present their lesson to the rest of the class for feedback. (Students often assume others will understand just by telling them and using the terminology. The

Budget Lesson Plans For High School Students:

The Secrets for Motivating, Educating, and Lifting the Spirit of African American Males Ernest H. Johnson, 2011-11-21

Unlike the media would have you believe most black males find great value in education They want to believe that they have a special gift and that they can make a difference in the world The problem is that they have ill feelings about how society has deprived them of the most qualified teachers and the best ways to be engaged in their own education As a consequence of repeatedly being marginalized criticized and put down by society and teachers they do not feel motivated to attend school or to produce outstanding academic work The Secrets for Motivating Educating and Lifting the Spirit of African American Males contains essays that center on how to help educators and parents to equip young black males with the drive necessary to craft fulfilling lives for themselves so they dont slip through the cracks in the educational system Historically we are still dealing with what happens to the image of Black people in the minds of white people A book like this helps to make certain that the information teachers provide to all students regardless of their race will help them understand that the history of this country has made generation after generation of black students see themselves as academically and socially inferior to white people Most importantly its the teachers not just black teachers but all teachers who have to understand the power they have to change the mindset of society Changing how society thinks about Black people particularly Black males is a task teachers can truly accomplish because they have the power to create lesson plans that challenge how students think about each other For such lessons are important for changing the attitudes and beliefs of the entire community in which we live REVEREND C T VIVIAN A Pioneer of the Civil Rights Movement Author Educator and a Close Friend of Reverend Dr Martin Luther King Jr This book provides a fresh perspective for understanding the problems associated with the education of Black males As a minister I have not encountered a project that gathers the collective wisdom of a group of over 20 Black male educators who are dedicated to helping the world save young Black males When all their ideas come together they are bound to create a storm of new thinking about how all of us can work together As a spiritual leader my role is to help young Black males understand that the same God that was in Dr King is the same God that is in them This is a difficult lesson for some Black males who have been brainwashed to see themselves as having no say about the outcome of their lives This book will help us including those in the ministry to reevaluate the thinking patterns of our boys so that we can better prepare them for the critical thinking that is required for life in the 21st century REVEREND ROBERT KILGORE Assistant Pastor at Hillside International Truth Center Atlanta GA Homeschool on a Budget T.S Avini, 2025-08-06 Discover how to provide an enriching homeschooling experience while managing costs effectively with Homeschool on a Budget This practical guide is packed with strategies to help you navigate the complexities of homeschooling without the financial strain Learn how to Design a curriculum that s high quality yet economical by leveraging free and low cost educational resources Utilize community resources and online platforms to enhance learning experiences without extra costs Homeschool on a Budget also
