Build Landscape Contractors Business Special:

How to Build a Landscape Contractors Business (Special Edition) T. Johnson, 2015-12-11 In clear easy to grasp language the author covers many of the topics that you will need to know in order to launch and run a successful business venture

Pastoral Capitalism Louise A. Mazingo, 2016-05-27 How business appropriated the pastoral landscape as seen in the corporate campus the corporate estate and the office park By the end of the twentieth century America's suburbs contained more office space than its central cities Many of these corporate workplaces were surrounded somewhat incongruously by verdant vistas of broad lawns and leafy trees In *Pastoral Capitalism* Louise Mazingo describes the evolution of these central but often ignored features of postwar urbanism in the context of the modern capitalist enterprise These new suburban corporate landscapes emerged from a historical moment when corporations reconceived their management structures the city decentralized and dispersed into low density auto dependent peripheries and the pastoral in the form of leafy residential suburbs triumphed as an American ideal Greenness writes Mazingo was associated with goodness and pastoral capitalism appropriated the suburb's aesthetics and moral code Like the lawn proud suburban homeowner corporations understood a pastoral landscape's capacity to communicate identity status and right mindedness Mazingo distinguishes among three forms of corporate landscapes the corporate campus the corporate estate and the office park and examines suburban corporate landscapes built and inhabited by such companies as Bell Labs General Motors Deere Company and Microsoft She also considers the globalization of pastoral capitalism in Europe and the developing world including Singapore India and China Mazingo argues that even as it is proliferating pastoral capitalism needs redesign as do many of our metropolitan forms for pressing social cultural political and environmental reasons Future transformations are impossible however unless we understand the past *Pastoral Capitalism* offers an indispensable chapter in urban history examining not only the design of corporate landscapes but also the economic social and cultural models that determined their form **Annual Report** United States. Small Business Administration, 1981 **The International Compendium of Construction Contracts** Phillip Greenham, Society of Construction Law Australia, 2021-05-10 This book examines how the most commonly used construction project contracts are applied in a range of countries around the world The specific situation of each of the almost 40 countries studied is dealt with in a dedicated chapter allowing for easy comparison between differing legal and commercial environments Each chapter contextualizes the relevant contracts within the legal and commercial systems prevalent in a particular country and examines a number of common issues impacting construction projects around the world This unique book will be an essential resource for construction law specialists around the world because of its focus on commonly used contracts and the contextualizing of these contracts into the legal and commercial environment of each studied country All contributions are from practicing construction project lawyers ensuring that the quality of the information and analysis is of the highest standard *Sweet's Indexed Catalogue of Building Construction*, 1907 Cincinnati
