Building Powerful And Robust Websites With Drupal 6 Mercer David:

Building Powerful and Robust Websites with Drupal 6 David Mercer, 2008 Written in the same style as the original Drupal title this book is a pragmatic look at the steps necessary to get a website up and running Drawing on years of writing experience David Mercer utilizes a friendly engaging style that is both clear and concise perfect for the Drupal newbie This book is for people with little or no experience in website design people who are not familiar with PHP MySQL or HTML and above all people with little to no experience in using Drupal Even intermediate Drupal users will find this book of interest although it is specifically aimed at pushing beginners up the learning curve *Drupal 6 Content Administration* J. Ayen

Green, 2009 This is a fun informative hands on learning guide that uses an actual case study In an interactive and informal manner this guide presents purposeful examples that continue to build on each other Clear concise instructions and practical examples mean you can learn quickly how to take care of the content in your Drupal site This book is designed for those who run the site day to day but didn't set it up and aren't necessarily that well versed in Drupal or web technologies You could be a content editor proofreader graphic artist feature editor or anyone else concerned with managing content on a Drupal installation This book uses a practical step by step approach with the next chapter always building on the knowledge foundation created by the previous chapter Understanding and really grasping the multidimensional concept is difficult enough without a lot of confusing jargon thrown in This book speaks to the reader in plain English with plenty of easy to follow examples You will create build and maintain data for a fictional automobile company **Learning Drupal 6 Module**

Development Matt Butcher, 2008-05-08 A practical tutorial for creating your first Drupal 6 modules with PHP **Building Websites with Joomla! 1.5** Hagen Graf, 2008 The best selling Joomla tutorial guide updated for the latest 1.5 release
