Building Children's Ministry A Practical Guide:

Building Children's Ministry Tina Houser, 2008-02-19 A step by step guide to building a strong children's ministry that is a vital part of the church. People know they are called to children's ministry when they get goose bumps and butterflies from something a kid says or an idea that they know will communicate the gospel to children. Building Children's Ministry provides the practical information to transform those feelings and that calling into a successful children's ministry that is integrated into the life of the congregation. The book is divided into topical chapters including Getting the support of the pastor and the congregation, Statements of purpose, Budgets and fundraising, Recruiting and keeping volunteers, Safety and security, Discipline and appropriate policies, Choosing and evaluating curriculum, Publicity. Building Children's Ministry is a practical guide through the challenging but exciting steps between recognizing the need for children's ministry and creating a program that ministers to children and their families.

Don't Have a Messed-Up Sunday School or Church School

Dr. Oneal C. Sandidge, 2004-01-09 This book is like no other book because it is the only known book to provide the ABC's for organizing or reorganizing the Sunday school or church school. The book is also loaded with suggestive forms to help any leader to construct his or her own forms for Sunday school or church school administration. This book reminds the prospective teacher, the current teacher, the VBS coordinator, training administrators and the support leader and workers of their responsibilities. Any church pastor, superintendent, church leader, professor of Christian education or director of Christian education will find this book as a valuable tool in Christian education.

Trauma-Informed Children's Ministry

Robert G. Crosby, Lori A. Crosby, 2022-04-13 James used to laugh and joke with the other third graders. Now he was angry, aggressive and defiant. James was hurting, but Pastor Becky didn't know how to help. Like many children's pastors, she didn't realize that a child in her ministry was experiencing symptoms of trauma. She wasn't sure how to respond to his big feelings and challenging behaviors. *Trauma-Informed Children's Ministry: A Practical Guide to Reaching Hurting Kids* helps children's ministry leaders understand trauma and strengthen their ministries to serve and disciple hurting kids. Divorce, bullying, adoption, abuse. Learn how trauma touches the children you love and what most churches get wrong when it comes to teaching and disciplining children who have experienced trauma. Why does Isaac keep talking back? Why is Sara under the table crying? Make sense out of the most frustrating, confusing and heartbreaking child behaviors. Through inspiring real-life stories, discover practical, research-based strategies to begin transforming your ministry. This Sunday, Good intentions are not enough. Our changing society craves authentic churches equipped to reach all children. This powerful groundbreaking book will help you cultivate caring relationships, eliminate challenging behaviors, encourage your team and amplify your church's impact in the community.

But Children Matter Kenneth G. Warren, John S.

Knox,2020-02-14 Often a disconnect exists between the way pastors children s ministry volunteers and churches describe the health and impact of children s ministry volunteers and the overall functioning of an ongoing children s ministry The volunteer dysfunction that is evident in many churches goes beyond the building scenario or the current strategy that leadership is pursuing If one asks the pastor of just about any local church how the children s ministry is going most pastors will respond positively However if speaking with a children s ministry volunteer one is likely to hear I am burned out but I feel obligated to serve here because we have such a shortage of volunteers and I do love these kids Too often there is no program in place to monitor the health of the ministry Official training is lacking church vision is blurred and many children s ministry volunteers feel like they are nothing more than large group unpaid babysitters This book analyzes these problems and provides pragmatic systematic steps to a healthier more robust children s ministry *Build on Jesus* Deepak Reju,Marty Machowski,2021-10-04 Anyone who has tried it even for a day knows that children s ministry is challenging Pastors Deepak Reju and Marty Machowski have been in your shoes and they want to help Drawing on decades of family ministry experience they have a passion to help children s ministry directors pastors and volunteers remember the why of children s *Follow the Way* Lars Coburn,2020-04-03 Follow the Way is about how the virtues of humility gratitude and simplicity impact prayer and a relationship with God We learn these virtues from the life of Jesus Like the dust Jesus kicked up stuck to the sweaty disciples as they followed close behind our habits and practices of listening being and seeing stick on those following us Humility teaches us to listen A relationship cannot be a one sided conversation humility reminds us to quiet our own voice enough to recognize the voice of God in our lives Gratitude teaches us to be present A relationship cannot be based solely on the past or the future we need to recognize God in the present in ordinary moments of life Simplicity teaches us to see A relationship cannot have clarity without each understanding the other we need to clear out the noise and interference in order to recognize God s will and plan for our life Humility gratitude and simplicity empower us to pray intimately and experience an intimate relationship where we truly know God not just stuff about God **Keeping Your Children's Ministry on Mission** Jared Kennedy,2022-02-23 Practical Strategies for Gospel Centered Children s Ministry When building a children s ministry at a church there is so much to consider Which curriculum should we use How many volunteers do we need How do we keep parents in the loop And that s before we run into stalled check in computers missing activity sheets and floors that need to be vacuumed While all of the tasks of children s ministry are important leaders can get easily distracted with the everyday work of doing ministry and lose sight of the main focus the gospel Writing from personal ministry experience Jared Kennedy shares a four fold approach for gospel centered missional children s ministry hospitality teaching discipleship and mission This practical resource covers a variety of topics ranging from creating child protection policies to putting together lesson plans to catechism helpful for children s ministers and volunteers alike as they disciple children with the powerful message of the gospel Applicable Includes questions for reflection and evaluation Helps Leaders
