Building Neighborhoods Jackson County Tennessee Prior To 1820:

Building Neighborhoods Betty Huff Bryant, 2014-05 *Building Neighborhoods* was conceived as an attempt to discover exactly who were the earliest settlers on Martin's Creek but eventually grew in scope to include all of Old Jackson County Tennessee. This work consists of early land records abstracted from microfilm of the original record books from Record group 50 Early Land Records located in the Tennessee State Library and Archives. Information included for each entry: The record book number, the page number, entry number, and the description. Interspersed throughout are the author's enlightening explanations and comments regarding facts, events, entries, individuals, and relationships. A full index is provided at the end of the volume. Building Neighborhoods, Jackson County, Tennessee Betty Huff Bryant, 1989 **Building Neighborhoods, Jackson County, Tennessee, Prior to 1820** Betty Huff Bryant, 1992 **A Bibliography of Tennessee History, 1973-1996** W. Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6,000 entries *A Bibliography of Tennessee History* will prove to be an invaluable resource for anyone: students, historians, librarians, genealogists engaged in researching Tennessee's rich and colorful past. A sequel to Sam B. Smith's invaluable 1973 work *Tennessee History: A Bibliography*, this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years. The volume begins with sections on Reference, Natural History, and Native Americans. Its divisions then follow the major periods of the state's history: Before Statehood, State Development, Civil War, Late Nineteenth Century, Early Twentieth Century, and Late Twentieth Century. Sections on Literature and County Histories round out the book. Included is a helpful subject index that points the reader to particular persons, places, incidents, or topics. Substantial sections in this index highlight women's history and African American history, two areas in which scholarship has proliferated during the past two decades. The history of entertainment in Tennessee is also well represented in this volume, including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers. The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers. Throughout, the editors have strived to achieve a balance between comprehensive coverage and the need to be selective. The result is a volume that will benefit researchers for years to come. The Editors: W. Calvin Dickinson is professor of history at Tennessee Technological University; Eloise R. Hitchcock is head reference librarian at the University of the South. *Rural Life and Culture in the Upper Cumberland* Michael E. Birdwell, W. Calvin Dickinson, 2004-12-24 *Tennessee History Book Award Finalist*. The Upper Cumberland region of Kentucky and Tennessee often regarded as isolated and out of pace with the rest of the country, has a far richer history and culture than has been documented. The contributors to *Rural Life and Culture in the Upper Cumberland* discuss an extensive array of subjects including popular music, movies, architecture, folklore, religion, and literature. Seventeen original essays by prominent scholars such as Lynwood Montell, Charles Wolfe Allison, Ensor, and Jeannette Keith uncover fascinating stories.
