Airlines of Asia Since 1920 Ronald Edward George Davies,1997 The third volume in a work recording the history of world s airlines this book follows on from Airlines of the USA Since 1914 and Airlines of Latin America Since 1919 **Airlines of Asia Since 1920** Ronald Edward George Davies,1997 The third volume in a work recording the history of world s airlines this book follows on from Airlines of the USA Since 1914 and Airlines of Latin America Since 1919 **Airlines of the Jet Age** R.E.G. Davies,2016-08-24 Airlines of the Jet Age provides the first comprehensive history of the world s airlines from the early 1960s to the present day It begins with an informative introductory chapter on the infancy of flight and the development of air transport craft used during the First and Second World Wars and then wings into the first Jet Age the advent of jet airlines It continues through the second Jet Age of wide bodied aircraft such as the Boeing 747 and DC 10 and closes with the introduction of the third Jet Age which begins with the giant double decked Airbus A380 This reference book is an unparalleled reference for aviation buffs covering airlines around the globe and throughout the modern eras of human flight The last book written by renowned airline historian R E G Davies Airlines of the Jet Age is the ultimate resource for information and insight on modern air transport Historical Dictionary of Ho Chi Minh City Justin Corfield,2014-11-01 Offering a concise overview of Ho Chi Minh City s history and development the Historical Dictionary of Ho Chi Minh City presents a comprehensive historical survey of the city in the form of an alphabetical list of keywords and names with accompanying definitions Both well researched and authoritative the volume draws upon a wide range of modern sources and contains an introductory essay about the city a chronology a list of acronyms and abbreviations photographs and appendixes of supplemental information **Historical Dictionary of Singapore** Justin Corfield,2010-12-02 In spite of Singapore s small size it has long had a major impact on the world because of its geographical location and its wealth The British initially made the island a major port for the shipping of goods and later as an airline hub for the region These factors along with a steady government have helped to contribute to the country s affluence This multicultural multiracial and multi religious island nation is the envy of many countries in the world which have tried to emulate the economic success of Singapore The new edition of the Historical Dictionary of Singapore has been completely rewritten since the first edition was released 20 years ago It relates the history of this country through a chronology an introductory essay an expansive bibliography and over 500 cross referenced dictionary entries on significant persons events places organizations and other aspects of Singapore history from the earliest times to the present *Southeast Asia Transformed* Chia Lin Sien,2003 Southeast Asia with a total population of 520 million remains a region characterized by fragmentation diversity and considerable internal conflict despite the unifying influence of the Association of Southeast Asian Nations ASEAN formed some thirty five years ago In the new millennium it has lost the distinction of being one of the worlds faster growing group of economies since the 1997 financial crisis While it has benefited from the winds of globalization it has now to cope with the

painful adjustments to problems that stem from the inadequacies of good governance and structural changes *A Political Economy Analysis of China's Civil Aviation Industry* Mark Dougan,2016-04-29 First published in 2002 This volume is a political economy analysis of China's civil aviation industry with a focus on the reform period beginning in the late 1970s up to the present The chief aim is to identify and analyze the most important political economy variables impacting on the industry's development during this time **Empire of the Air** Jenifer Van Vleck,2013-11-01 Jenifer Van Vleck's fascinating history reveals the central role commercial aviation played in the United States' ascent to global preeminence in the twentieth century As U.S. military and economic influence grew the federal government partnered with the aviation industry to deliver American power across the globe and to sell the idea of the American Century to the public at home and abroad The airplane promised to extend the frontiers of the United States to infinity as Pan American World Airways president Juan Trippe said As it accelerated the global circulation of U.S. capital consumer goods technologies weapons popular culture and expertise few places remained distant from Wall Street and Washington Aviation promised to secure a new type of empire an empire of the air instead of the land which emphasized access to markets rather than the conquest of territory and made the entire world America's sphere of influence By the late 1960s however foreign airlines and governments were challenging America's control of global airways and the domestic aviation industry hit turbulent times Just as the history of commercial aviation helps to explain the ascendancy of American power its subsequent challenges reflect the limits and contradictions of the American Century Historical Dictionary of Pyongyang Justin Corfield,2014-12-01 Offering a concise overview of Pyongyang's history and development the Historical Dictionary of Pyongyang presents a comprehensive historical survey of the city in the form of an alphabetical list of keywords and names with accompanying definitions Both well researched and authoritative the volume draws upon a wide range of modern sources and contains an introductory essay about the city a chronology a list of acronyms and abbreviations and an array of photographs Shaping Air Transport in Asia Pacific Tae Oum,Chunyan Yu,2019-06-04 This title was first published in 2000 A comprehensive assessment of the markets and outlook for the air transport industry in the Asia Pacific region The book examines options for improvement of the regulatory system and industry structure drawing on experience within and outside of the region It includes the short and long term effects of the current economic crisis on Asian airlines and air transport markets and differs from other works due to its description and analysis of all major aspects of the Asian air transport industry and airlines
