Airspaces Reaktion Books Topographics:

Airspaces David Pascoe, 2004-08-01 This book argues that airspace the transitional area between check in desk and baggage carousel must be regarded as a discrete destination on any map of our age **Learning from Logistics** Clare Lyster, 2016-02-22 In the 19th century railroads and canals provided both structure and motor for city development This role has been taken over today by the global flow of data and products as the author argues Flow of material and communication is the DNA of contemporary environments This development has enormous and partially unfathomable implications for our city fabric Logistics networks and their complex structure increasingly bear upon many urban spheres Counter trends to the ubiquitous internet retail trade to name one of the most palpable phenomena are gaining momentum as well exemplified by the criticism of labor conditions in e commerce and the trend to buy regional products from local stores The author describes the current development and its impact on architecture landscape architecture and urbanism Aspects such as today s hypermobility of both products and people have repercussions in design work and create new paradigms for architecture and urban design Concepts for the integration of these new issues are introduced by a number of exemplary urban design projects **Airspaces** David Pascoe, 2001 This book argues that airspace the transitional area between check in desk and baggage carousel must be regarded as a discrete destination on any map of our age Extreme Europe Stephen Barber, 2001 This book takes the form of a series of journeys around the peripheries of Europe and its cities via a number of the areas from which the defining moments and images of contemporary Europe have been generated introd *Cambodia* Michael Freeman, 2004-01-04 Cambodia has a long and rich history first becoming an artistic and religious power in Southeast Asia in the Angkor period 802 1432 when its kings ruled from vast temple complexes at Angkor Wat and Angkor Thom The cultural influence of Cambodia on other countries in the region has been enormous quite out of keeping with its reduced territory and limited political and economic power today In Cambodia writer and photographer Michael Freeman examines the country s present troubled situation in the light of its political and cultural history looking at many aspects of modern Cambodia including the psychological effect of the outrages of Pol Pot and how Angkor Wat has become an icon and symbol for its tourist and heritage industry In the process he relates personal stories and anecdotes from Cambodia s recent and more ancient history such as royal white elephants and buffalo sacrifices in villages how spiders are cooked and eaten and the incidence of cannibalism in Cambodian warfare Cambodia is sometimes shocking often humorous and always entertaining and will give the reader a new insight into the history of this maltreated yet fascinating country Romania Lucian Boia, 2001 Romania occupies a unique position on the map of Eastern Europe It is a country that presents many paradoxes In this book the preeminent Romanian historian Lucian Boia examines his native land s development from the Middle Ages to modern times delineating its culture history language politics and ethnic identity Boia introduces us to the heroes and myths of Romanian history and provides an enlightening account of the history of Romanian Communism He

shows how modernization and the influence of the West have divided the nation town versus country nationalists versus pro European factions the elite versus the masses and argues that Romania today is in chronic difficulty as it tries to fix its identity and envision a future for itself The book concludes with a tour of Bucharest whose houses streets and public monuments embody Romania s traditional values and contemporary contradictions **Zeropolis** Bruce Bégout,2003 Part of the Topographics series Bruce Begout s study presents a detailed and philosophical portrait of Las Vegas **Bangkok** William Warren,2004-09-02 William Warren s Bangkok is an informal portrait of this most vibrant and perplexing of modern cities Divided into two parts the first is a selective history showing how Bangkok has developed over the last 200 years while the second explores the contemporary face of the city through a series of personal impressions The author explains how the charms of Bangkok and its people outweigh the disadvantages of pollution traffic and stifling heat He also introduces celebrities such as the early kings of Thailand s present dynasty and Anna Leonowens heroine of The King and I as well as Jim Thompson the US born silk entrepreneur and art collector who mysteriously vanished in the jungles of Malaysia Bangkok provides a much needed history of the city but is also imbued with the warmth of Warren s love affair with its frenetic way of life **The Other Venice** Predrag Matvejević,2007 To know a city is to become intimately intertwined with its nooks crevices secret passageways and dark places where its lifeblood flows and what city has more of those than Venice In The Other Venice Predrag Matvejevic ventures past the infamous canals and cobblestone streets of the tourist s Venice to find the heart of the ancient Italian metropolis A lyric re imagining of the City of Romance The Other Venice utterly reconfigures the Venetian landscape as Matvejevic follows both real and imaginary maps contemporary and historical to trace out the details of this sensuous city He probes into what the ancient metropolis means to its people the nation and global culture But he also finds hints of life in the smallest and most mundane details ancient bridges rust flecked boats wall sculptures rivers and piazzas scattered throughout the city Each has a little known story and with Matvejevic as our guide he reveals the stories behind them all The book carries readers to a Venice that has escaped the eyes of writers artists and photographers through the centuries and Matejevic by turns plays a historian cartographer anthropologist and philologist as he unravels elusive artifacts of time past Arresting black and white photographs by renowned photographer Sarah Quill accompany the text offering a silent testament to Matvejevic s pilgrimage A fascinating and beautifully written guide The Other Venice reminds us that there is always another mystery to uncover in the city of water and stone **Macao** Philippe Pons,2002 A former Portuguese administered enclave on the Chinese coast Macao became a meeting point of cultures drawn from many parts of the world In this evocative text Pons describes both Macao s colorful past and the dramatic changes the 20th century has seen revealing its charms yet lamenting the passing of an era
