A Solution to a Pointless Life Albert Amao Soria Ph.D.,2023-04-20 This book empowers the reader to awaken his inner power by providing psychological and metaphysical tools for improving their life Humans should undertake the power dwelling in them and become active co creators of their personal and social environment The book is a necessary component in a materialistic post modern consumeristic society It focuses on removing the self loathing ideas imposed by religious organizations and mass media Moreover it offers a plausible and coherent theory that answers the old honored predicament of finding the true purpose of human existence Blending ideas from philosophers with the popular wisdom of native folklore Occidental and Oriental sacred scriptures sociology metaphysics philosophy existentialism and modern quantum physics this book reveals that humans should actively participate in the awakening of their consciousness Having no purpose in life can lead people to a deep psychological depression called existential anxiety Thus ignoring the role of man s importance in the drama of the universe the lack of a myth or meaning could be tragic and detrimental Since the dawn of civilization humans have taken for granted or assumed that they had an inherent purpose in life by being born which turned out to be a big fallacy In addition humans have been brainwashed and domesticated by false ideas creating a herd mentality by the ruling elite Under these circumstances how do we humans find authentic meaning in what seems to be a senseless life Modern philosophy has become increasingly abstract and separate from human beings unable to offer positive guidance to ordinary people Finding a purpose in human existence is the primary motivational force for human existence The ultimate purpose of human existence is to become a conscious god

The Apocalypse of the Aquarian Age Albert Amao Soria Ph.D.,2021-02-23 Humanity has stepped at the beginning of the Water Carrier Age s threshold Its influence is gradually being felt in all areas of life This is the time for spiritual renewal and the turning point for the shifting of consciousness Contrary to the period of mental bondage prejudice and religious bigotry which was the Piscean Era characteristic we are awakening to another chapter of human history leading to the realization of the Oneness of life and the human race s interconnectedness The world is currently undergoing radical socio economic and political upheavals because we are transitioning from one chapter of human history to another Some religious leaders and sensationalistic New Age writers have taken these dramatic changes as signs of the end of the world Contrary to that this work postulate that the challenging events indicate the close of one chapter of human history and the beginning of a new one We embrace and celebrate the coming of a new age of enlightenment the awareness of human beings brotherhood
