Buena Vista G. W. Cutter, 2015-07-12 Excerpt from Buena Vista And Other Poems About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The RDA**

Workbook Margaret Mering, 2014-01-22 Whether a library catalogs its own materials or not librarians still need to have some understanding of RDA Designed to be used by academic public and school librarians this is the perfect introduction RDA Resource Description and Access was released in March 2013 and catalogers are busy trying to understand and implement the new protocols This book will help Unlike the RDA training materials prepared for seasoned catalogers by the Library of Congress and others the The RDA Workbook Learning the Basics of Resource Description and Access uses tried and true methods to make RDA clear even to those who have little or no previous cataloging knowledge The workbook can be used by an individual or to teach others in staff training sessions presentations or LIS courses It discusses the theoretical framework of the cataloging code details the steps necessary to create a bibliographic for books videos and other formats and shows librarians how to read and interpret authority records for persons families corporate bodies works and expressions Finally the workbook suggests strategies for implementing RDA **Billboard** , 1995-03-18 In its 114th year

Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** , 1994-03-05 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Michael Broadbent's Vintage Wine Michael Broadbent, John Michael Broadbent, 2002 The ultimate report on the world's vintage wines is offered by the man the Wine Spectator calls the world's most experienced taster

Billboard , 1999-07-10 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Billboard , 1999-06-12 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Was America

Founded as a Christian Nation? Revised Edition John Fea, 2016-10-01 John Fea offers a thoroughly researched evenhanded primer on whether America was founded to be a Christian nation as many evangelicals assert or a secular state as others contend He approaches the title's question from a historical perspective helping readers see past the emotional rhetoric of today to the recorded facts of our past This updated edition reports on the many issues that have arisen in recent years concerning religion's place in American society including the Supreme Court decision on same sex marriage contraception and the Affordable Care Act and state level restrictions on abortion and demonstrates how they lead us to the question of whether the United States was or is a Christian nation Fea relates the history of these and other developments pointing to the underlying questions of national religious identity inherent in each We live in a sound bite culture that makes it difficult to have any sustained dialogue on these historical issues Fea writes in his preface It is easy for those who argue that America is a Christian nation and those who do not to appear on radio or television programs quote from one of the founders or one of the nation's founding documents and sway people to their positions These kinds of arguments which can often be contentious do nothing to help us unravel a very complicated historical puzzle about the relationship between Christianity and America's founding

Billboard, 2007-08-18 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

Tragic Time in Drama, Film, and Videogames Rebecca Bushnell, 2016-11-14 This book explores how classical and Shakespearean tragedy has shaped the temporality of crisis on the stage and in time travel films and videogames In turn it uncovers how performance and new media can challenge common assumptions about tragic causality and fate Traditional tragedies may present us with a present when a calamity is staged a decisive moment in which everything changes However modern performance adaptation and new media can question the premises of that kind of present crisis and its fatality By offering replays or alternative endings experimental theatre adaptation time travel films and videogames reinvent the tragic experience of irreversible present time This book offers the reader a fresh understanding of tragic character and agency through these new media's exposure of the genre's deep structure
