Adams An American Dynasty:

Adams: An American Dynasty Francis Russell, 2014-08-05 John and Abigail Adams and their descendants have profoundly influenced life in the United States for more than two centuries From the great political and philosophical contributions of Founding Father and President John Adams the roster of Adams luminaries is unprecedented diplomat and sixth president John Quincy Adams pre Civil War Voice of Honor Charles Francis Adams and authors Henry and Brook Adams The story of the Adams dynasty is as impressive and compelling as its legacy Here it is **Louis Zukofsky and the Transformation of a Modern American Poetics** Sandra Kumamoto Stanley, 2023-04-28 Viewing Louis Zukofsky as a reader writer and innovator of twentieth century poetry Sandra Stanley argues that his works serve as a crucial link between American modernism and post modernism Like Ezra Pound Zukofsky saw himself as a participant in the transformation of a modern American poetics but unlike Pound Zukofsky the ghetto born son of an immigrant Russian Jew was keenly aware of his marginal position in society Championing the importance of the little words such as a and the Zukofsky effected his own proletarian revolution of the word Stanley explains how Zukofsky emphasized the materiality of language refusing to reduce it to a commodity controlled by an authorial authoritarian self She also describes his legacy to contemporary poets particularly such Language poets as Ron Silliman and Charles Bernstein Viewing Louis Zukofsky as a reader writer and innovator of twentieth century poetry Sandra Stanley argues that his works serve as a crucial link between American modernism and post modernism Like Ezra Pound Zukofsky saw himself as a parti **Presidential Passions** Michael John Sullivan, 1992 An intimate and often shocking look at the true extramarital exploits of America s Presidents Beyond JFK s notorious philandering a proven national security danger surprising affairs of state involve presidents from LBJ to Eisenhower all the way back to Jefferson who kept a slave mistress and Washington Photographs Presidents and Presidencies in American History Jolyon P. Girard, 2019-10-07 This innovative encyclopedia explores the life and times of America s forty five presidents from the first administration to that of Donald Trump Forty five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City Some have proved exceptional leaders and others have not Some have faced serious crises both foreign and domestic Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month Each however played a key role in the evolution of United States history Each of their histories therefore remains a critical civics lesson to consider This four volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump Each chapter includes a timeline a biographical sketch a historical overview and an analytical essay concerning the president and his presidency Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence A suggested reading list for further study of each president rounds out each entry Reader's Guide to

American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history **Heroes, Villains & Dupes** Paul E. Ronan, 2010-06-22 The existential question facing the antebellum presidents was how to resolve the dichotomy between the freedoms guaranteed in the Declaration of Independence and the protection of slavery established by the Constitution This work details how each president dealt with this issue It then ranks the presidents on the sole criterion of their ability to recognize slavery as the critical threat to national unity and to act decisively to end the evil and peacefully preserve the Union The book ends with the beginning of the Civil War the result of presidents efforts **Civil War Boston** Thomas H. O'Connor, 2014-05-06 In this engaging volume Thomas H O Connor examines the unique role that Boston and its inhabitants played in the Civil War and discusses the impact of the turbulent war years on the city s civilian population His captivating narrative follows the experiences of four distinctive and significant groups of people who formed antebellum Boston businessmen Irish Catholic immigrants African Americans and women Interweaving vivid portraits of the Boston community with major political and military events of the Civil War O Connor relates how the war forever changed lives disrupted homes altered work habits reshaped political allegiances and transformed ideas Rich with colorful anecdotes about local figures both renowned and long forgotten this is a fascinating account that will appeal to Civil War buffs historians and general readers alike *Chronology of the U.S. Presidency* Mathew Manweller, 2012-03-19 This engaging and authoritative four volume resource offers fascinating portrayals of the 44 men who have achieved the ultimate seat of power in the United States the presidency From George Washington to Barack Obama *Chronology of the U S Presidency* portrays each of the nation s chief executives in richly observed detail Chapter by chapter we meet the real flesh and blood men occupying the one office elected by the entire country the office that most profoundly affects the workings of the government U S relations with other countries and the everyday lives of all American citizens Spanning four volumes this work covers each president s early life and rise to power the pivotal events during his presidency and when applicable his post presidential life In addition the book includes sections on the First Ladies and presidential families plus primary source documents speeches memos messages to Congress and entertaining FYI facts for example once bitter rivals John Adams and Thomas Jefferson died hours apart on the 50th anniversary of the Declaration of Independence they helped create together More than just names and dates history *Chronology of the U S Presidency* helps readers understand the ways each of these

intriguing men changed the country and how he in turn was impacted by his time in power A Treasury of Great American Scandals Michael Farquhar, 2003-07-01 Following on the heels of his national bestseller *A Treasury of Royal Scandals* Michael Farquhar turns his attention to matters a little closer to home with *A Treasury of Great American Scandals* From the unhappy family relationships of prominent Americans to the feuds smear campaigns duels and infamous sex scandals that have punctuated our history we see our founding fathers and other American heroes in the course of their all too human events Ineffectual presidents lazy generals traitors treacherous fathers nagging mothers ungrateful children embarrassing siblings and stories about insanity death and disturbing postmortems are all here as are disagreeable marriages vile habits and of course sex good sex bad sex and good bad sex too We can take comfort in the fact that we are no worse and no better than our forebears But we do have better media coverage Bonus educational material A brief history of the United States including scandals The American Hall of Shame A complete listing of presidential administrations *Dictionary Of Modern American Philosophers* John R. Shook, 2005-05-15 The *Dictionary of Modern American Philosophers* includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the *Dictionary of Modern American Philosophers* offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought
