Reviewer: I liked the author's tips on how to build online relationships. As someone who avoids social media, it has been the bane of my author's existence. I really appreciated how the author breaks down how to work on social media. Short to the point, succinct. Finally, I get it. I am so excited to implement so many of these ideas. I was also thrilled to read the section on how to pitch to television and radio. Another superb writer's resource book.
