Interpretation Vol 1 of the Gospels Theophylact Bulgarian, ArchBp of Ohrid, DONATE https://www.paypal.com/donate/hosted_button_id/VYUHBNF6FPB5Q <https://vidjambov.blogspot.com/2025/03/full-list-of-book-titles-as-of-2025.html> Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2025/03/full-list-of-book-titles-as-of-2025.html> Jesus cried out with a loud voice so that we could enlighten that when He said I have the power to lay My soul this was true for He gives the soul with power What was this appeal Father in thy hands I betray my spirit for not by compulsion but he voluntarily gave up the spirit This shows I betray also shows that He is thinking again to receive His soul for every pledge is again given back Thanks be to the Lord that when He died and when His spirit was handed over to the Father from that time the souls of the saints are put into the hands of God and not in the dungeons of hell as before so that the death of Christ became our sanctification For this death is invoked with a loud voice not daring and come up if it had not been called The church curtain consisted of a kind of canvas hung in the middle of the temple and separating the inside from the outside like a wall That it is torn apart through this God shows that the temple inaccessible and unseen the inside of which was covered with a veil will be in such humiliation and contempt that it will be accessible to everyone and anyone can consider it Others indicate other causes of strife A torn curtain meant they say the abolition of the letter of law and also that all that was lawful was revealed which had previously been covered with a letter like a kind of curtain and everything that was previously obscure and mysterious would become clear now having been fulfilled on Christ One can also say that as was the custom of the Jews in the case of blasphemy to tear their clothes so now the temple of God as if grieving for the death of God tore his clothes the veil And someone else could say but that is enough The elements then hesitated as if testifying that the Sufferer is the Creator so showing at the same time that that there will be a change in deeds for the Scripture considers an earthquake as a sign of a change in deeds So the transfer of God's view from the Jews to the Gentiles took place And the stones that is the stone hearts of the Gentiles were dissolved and accepted the seed of truth and those who had been killed by sins rose up and entered the holy city into Jerusalem above and appeared to be many who walk on a broad path appearing to them they became for them the prototype of a good life and conversion for seeing a man first mortified by passions and then turned and entered the holy heavenly city another imitates him and turns around in every way However it was invented too exquisitely You know that the resurrection of the dead which happened at the cross of the Lord made it clear that the souls that were in hell were released The Risen then appeared to many so that what happened would not seem like a dream But they have risen for the sake of a sign and it is clear that they died again However some say that they were resurrected after the resurrection of Christ and another time did not die I do not know if this should be accepted Shadow Agents Collection Volume 1 Cynthia Eden, Carol Ericson, 2018-03-12 Four books in one value edition from New York Times bestselling author Cynthia
