Allies and Angels Terri Cook,Vince Cook,2013-07-01 In this revealing memoir a family struggles to survive and overcome their limiting beliefs lack of awareness and fears as they come to understand and accept that the child they thought was their daughter is really their son Allies and Angels Terri Cook,Vince Cook,2013-07-01 In this revealing memoir a family struggles to survive and overcome their limiting beliefs lack of awareness and fears as they come to understand and accept that the child they thought was their daughter is really their son *Families in Transition* Arlene I. Lev,Andrew R. Gottlieb,2019-04-16 Families in Transition Parenting Gender Diverse Children Adolescents and Young Adults is a compilation of clinically oriented articles research and case material authored by mental health and medical experts both nationally and internationally known as well as first person narratives written by parents and families exploring the complexities faced by parents and caretakers attending to the needs of their children in a largely hostile world The professional articles are positioned side by side with the voices of the parents themselves each complementing the other together adding up to a richly complex original tapestry While most books on this subject highlight the experiences of the gender diverse child and adolescent parents perspectives are placed front and center Those raising these children and adolescents have unique struggles and personal processes as caregivers and advocates Making complex social and medical decisions in a society that is hostile and polarized only complicates the picture This book highlights their rarely heard voices and gives insight to therapists and physicians on how to support all members of the family helping them grow and heal during what is often a challenging time Families in Transition Challenges the ways we think about cultural norms and how those impact our clinical work Explores a parent s desire for their child to live authentically alongside a desire to protect them Highlights how the attitudes and behaviors of extended relatives impact the gender nonconforming child and their caretakers Presents a historical overview contrasting the reparative and the affirmative models of treatment Illustrates how difficult treatment can be when a patient is reticent to disclose their gender identity to their parents or when parents either have little information or are in denial Offers strategies on how best to advocate for a child in a school setting Outlines best practices for the care of transgender youth This text is designed for mental health professionals clinicians educators and researchers medical providers parents and caretakers of gender diverse children adolescents and young adults and is suitable for graduate and doctoral level coursework in a range of subject areas including gender sexuality and family studies

Transgender People and Education Clare Bartholomaeus,Damien W. Riggs,2017-12-09 This book provides a comprehensive account of the educational experiences of students parents and educators transgender and cisgender in the context of current debates about the inclusion of transgender people in schools Drawing on critiques of cisgenderism and emphasising the importance of a whole of school approach Transgender People and Education explores complex topics including sexuality education for transgender young people teaching about gender diversity the journeys of cisgender

parents of transgender children the experiences of transgender parents and educators in schools and the role of cisgender administrators educators and school counsellors and psychologists in creating inclusive school cultures Reporting on empirical analyses conducted by the authors the book makes a unique contribution to thinking about gender diversity in schools and advocates for the broadening of educational approaches beyond narrow gender binaries

Being Jazz Jazz Jennings, 2017-06-27 Celebrate Pride every day with the teen advocate trailblazer and reality show star Jazz Jennings one of Time Magazine's 25 Most Influential Teens of the year In this groundbreaking memoir she inspires people to accept the differences in others while they embrace their own truths through sharing her very public transgender journey Jazz is one of the transgender community's most important activists Cosmopolitan A role model for teens everywhere Seventeen At the age of five Jazz Jennings's transition to life as a girl put her in the public spotlight after she shared her story on national television She's since become one of the most recognizable and prominent advocates for transgender teens through her TV show interviews and social media Jazz's openness has led to bullying and mistreatment from those who don't understand her choices She's fought for the right to use the girls bathroom and to play on a girls soccer team paving the way for others And in this book Jazz faces an even greater struggle dealing with the physical and social stresses of being a teen But being on the front lines of trans activism doesn't stop Jazz from experiencing the joys of growing up from day camp to first dates Jazz Jennings is one of the youngest and most prominent voices in the national discussion about gender identity This remarkable memoir is a testament to the power of accepting yourself learning to live an authentic life and helping everyone to embrace their own truths
