to dovetail stories taking place on opposite sides of the world Through tragedy misfortune and international intrigue the participants discover the difference between head knowledge and heart knowledge That difference is the great divide illustrated most critically in the matter of a personal relationship with the Lord Jesus Christ The story opens with the hijacking of a Japanese airliner carrying a double agent to North Korea in 1969 Events in both Koreas become interspersed with the story of a spiritual transformation in the United States where the derelict Edwin Scruggs and the outwardly successful Reverend Reagan Ainsworth discover what it means to live true Christianity The death of Scruggs brings into focus the priorities of Ainsworth Daniels the mission worker Betty Hodges and the pompously religious Paul Johnson Even after his death Edwin Scruggs serves as a guide to the way home Tension between right and wrong in the arenas of leadership sovereignty of nations personal morality and the need for worldwide understanding and brotherhood is evident the importance of relationships is woven into the narrative from beginning to end Nearly all of the events are based on fact although they have been fictionalized for the telling Jim Sides received the Bachelor of Music Education degree in 1965 from Mars Hill College Mars Hill NC and holds the Master of Church Music 1967 and Doctor of Musical Arts 1982 from Southwestern Seminary Fort Worth TX From 1967-1971 he served on active duty as an Air Force Administrative Officer with assignments in Florida South Korea and Illinois He has served churches in the southeastern United States for thirty years and was on college music faculties for seven years **Almost Home** Debbie Macomber, Cathy Lamb, Judy Duarte, Mary

Almost Home Damien Echols,2005-06 *Almost Home* is a message to you from a faraway place It is a message from a 12 foot by 9 foot cell in a cinderblock building surrounded by coils of razor wire in the middle of a dirt field in Arkansas It was written by a young man named Damien Echols and it chronicles his life and his experiences in a way that clearly illuminates him not as a monster but as a human being For over 10 years Damien has been an inmate on death row for a crime he did not commit He along with Jason Baldwin and Jessie Misskelley have become known as The West Memphis Three and though the story of their arrest and conviction is widely known most people don t know the real people behind the sound bites and the TV news segment clips Damien has spent much of his time behind bars diligently maintaining his integrity and his sanity by writing *Almost Home* is the product of that self discipline and in it you will meet someone who has survived an ordeal many of us would find impossible to live through There are a few who still believe that Damien is a devil worshipping child killer but as time passes and more facts rise to the surface it becomes even more clear that he is the victim of a peculiar species of hysteria Read this book and know the truth about him It is an urgent message from death row the whole story of who Damien Echols really is **Almost Home** Pam Jenoff,2010-02-16 Jenoff s novel chronicles a young female intelligence officer thrust into an international drama dating back to the Second World War
