The Story of the Crusades (Serapis Classics) Edith Wilmot-Buxton, 2017-11-13 The two hundred years which cover roughly speaking the actual period of the Holy War are crammed with an interest that never grows dim Gallant figures noble knights generous foes valiant women eager children follow one another through these centuries and form a pageant the colour and romance of which can never fade for the circumstances were in themselves unique The two great religious forces of the world Christianity and Islam the Cross and the Crescent were at grips with one another and for the first time the stately East with its suggestion of mystery was face to

face with the brilliant West wherein the civilisation and organisation of Rome were at last prevailing over the chaos of the Dark Ages

Heart of Darkness (British Classics Series) Joseph Conrad, 2017-04-20 Heart of Darkness is a classic of world literature The book tells a story about a voyage up the Congo River into the Congo Free State in the heart of Africa Marlow the story's narrator tells his story to friends aboard a boat anchored on the River Thames London England This setting provides the frame for Marlow's story of his obsession with the ivory trader Kurtz which enables Conrad to create a parallel between London and Africa as places of darkness Central to Conrad's work is the idea that there is little difference between so called civilized people and those described as savages Heart of Darkness raises important questions about imperialism and racism Joseph Conrad acknowledged that Heart of Darkness was in part based on his own experiences during his travels in Africa In 1890 at the age of 32 he was appointed by a Belgian trading company to serve as the captain of a steamer on the Congo River Joseph Conrad 1857 1924 was a Polish author who wrote in English after settling in England Conrad is regarded as one of the greatest novelists in English though he did not speak the language fluently until he was in his twenties He wrote stories and novels often with a nautical setting that depict trials of the human spirit in the midst of an indifferent universe He was a master prose stylist who brought a distinctly non English tragic sensibility into English literature Contents Heart of Darkness Memoirs or Some Reminiscences The Mirror of the Sea Notes on Life Letters Biography Critical Essays Joseph Conrad A Biography by Hugh Walpole Joseph Conrad by John Albert Macy A Conrad Miscellany by John Albert Macy Joseph Conrad by Virginia Woolf

Bibliotheca Classica; Or, A Classical Dictionary John Lemprière,1811

On Holiday Orvar Löfgren,1999 A fun book to read witty and emotionally evocative without ever being sentimental or superficial It focuses on the common experiences of tourism familiar to readers from any class or culture and really enters the tourist imagination in stark contrast to most other books I ve read about tourism which act like the tourists are some sort of exotic livestock Richard Wilk author of *Economies and Cultures* A pleasure to read The author has accomplished the very difficult task of moving almost seamlessly from general observations to the specific and from the observations of others through time to his personal experience Erve Chambers editor of *Tourism and Culture* Lofgren takes us down countless paths that we didn t know were there His interests seem wonderfully idiosyncratic The issues that he deals with are thoroughly familiar but the angle of his light is very new Stephen M Fjellman author of *Vinyl Leaves*

The Sea and Medieval English Literature Sebastian I. Sobecki,2008 A fresh and invigorating survey of the sea as it appears in medieval English literature from romance to chronicle hagiography to autobiography As the first cultural history of the sea in medieval English literature this book traces premodern myths of insularity from their Old English beginnings to Shakespeare s *Tempest* Beginning with a discussion of biblical classical and pre Conquest treatments of the sea it investigates how such works as the Anglo Norman Voyage of St Brendan the Tristan romances the chronicles of Matthew Paris King Horn *Patience* The Book of Margery Kempe and The Libelle of Englyshe Polycye shape insular ideologies of Englishness Whether it is Britain s privileged place in the geography of salvation or the political fiction of the idyllic island fortress medieval English writers myths of the sea betray their anxieties about their own insular identity their texts call on maritime motifs to define England geographically and culturally against the presence of the sea New insights from a range of fields including jurisprudence theology the history of cartography and anthropology are used to provide fresh readings of a wide range of both insular and continental writings
