reached while others were permanently injured through frostbite For British photographer Chris Bonington who was sucked into the action it opened a path to a career and reputation as Britain s foremost mountaineer It was incredibly challenging and probably some of the hardest climbing done in the Alps to that time remembers Bonington Being involved was absolutely fantastic There s never been anything like it for me before or since This title is part of our LEGENDS AND LORE series Click here to learn more

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
