Ascension And Romantic Relationships Ascension And Romantic Relationships:

Ascension and Romantic Relationships Joshua David Stone, Janna Shelley Parker, 2000-01-01 This book is a sequel to the first two It contributes an added dimension to my earlier information Sedona seems to reflect the best qualities or perhaps I should say combined qualities the essences and elements of the Great Pyramids Glastonbury Stonehenge Ayers Rock Mount Shasta the South American Pyramids Peru Tibet Nepal India Lourdes and many other power places around the world How can I make such a claim For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places Through these travelers I have learned that there is simply no other place like Sedona *Mahatma I and II* Brian Grattan, 1994-01-01 What all of mankind have learned in the past about creation is the way that existence isn't a paradox Awaken and realize that all of mankind will create their body for Ascension whether they accomplish this now or later and that this is not the exclusive domain of Christ or Buddha or many others who have ascended this is your birthright You are not relegated to worshipping those who have already done this very basic initiation called Ascension Christ and Buddha would be the first to acknowledge that they are just beginners on their eternal journey When mankind lifts the veils of their unworthiness and recognize that they are the Sons of God that there is divine equality and no one is greater than another then you will have begun our journey in the way that it was intended In your near future your Planetary Hierarchy will release the world from theology ecclesiasticism and the wrathful Jehovah and return humanity to its rightful journey into spiritualizing matter not worshipping it The Mahatma is for those who are motivated to search for the answers that can respond to their mental and spiritual bodies In the past mankind's choices of beliefs and religions have supported only the emotional body and the darker material side of life And truly if one is going to remain on Earth very drastic shifts of consciousness will be required to have mankind remain in Earth's new fourth dimensional reality No matter how contrary to your current beliefs this book contains methods for creating your spiritual Lightbody for Ascension and it also explains your eternal journey in a way that was never before available to mankind
