

Assemblies Of God Doctrine

Kieran James

Assemblies Of God Doctrine:

Aspects of Assemblies of God Origins Daniel D. Isgrigg, 2024-08-27 With the Assemblies of God now over a century old this book takes a fresh look at critical issues in the AG's origins While not a comprehensive retelling this book is a series of essays that explore different historiographical issues that will clarify or correct historical narratives with new research Topics include re-examining the early relationship with the Church of God in Christ assessing the AG's evangelical identity and attitudes toward theology and education Some three decades since the last AG history this volume will shed new light on these important theological and cultural issues to better understand its roots Perhaps these conversations will help the AG better understand its history as the fellowship approaches the problems it faces today The Assemblies of God at the Crossroads Margaret M. Poloma, 1989 Religious Bodies, 1936: pt. 1. Denominations, A to J : statistics, history, doctrine, organization, and work United States. Bureau of the Census, 1941 Standard of Christian Doctrine and Practice Assemblies of God, 1960 **Norming the Abnormal** Aaron T. Friesen, 2013-02-19 Pentecostalism is one of the largest and fastest growing religious movements around the world Yet the movement's defining doctrine has met with controversy and criticism since its inception Classical Pentecostals have not only affirmed and valued the experience of speaking in other tongues they have argued that such an experience is the first evidence of a Christian having reached a level of spiritual empowerment they call Baptism in the Holy Spirit That speaking in an unknown language should be considered by many Pentecostals to be a normative and uniform right of passage for all Christians is interesting That such a controversial doctrine could rise to take such a prominent role in defining and shaping the Pentecostal movement begs further historical and social study This work charts the development of the doctrine from a small community in the Midwest to become a norm for Pentecostal identity and a hallmark of Pentecostal experience around the world Then through an empirical study of ministers in three Pentecostal denominations the work explores the current beliefs of practices of Pentecostals regarding the doctrine of initial evidence in order to form some conclusions and proposals about the future of the doctrine among classical Pentecostals **Religious Bodies, 1936: Summary and detailed tables** United States. Bureau of the Census, 1941 A Historical Definition of the Assemblies of God Doctrine on Divine Healing as Promulgated During the Interval 1930-1945 David Wellman, 1961

Money Doctrines: Traditional versus Word of Faith Teaching Kieran James, 2017-12-11 There has been a significant volume of scholarly work conducted recently within the accounting literature on the role of money investment and accounting within religious organizations However scant attention has been paid to modern Pentecostal understandings of money investment and accounting In this book we study the major money related doctrines of American husband and wife televangelist Faith Teachers Kenneth and Gloria Copeland We find the unique Copeland interpretation of Treasures in Heaven Matthew 6:20 to be a complete inversion of the traditional or Anglican theological interpretation While the traditional interpretation is that this verse refers to future rewards available after death the Copelands argue that it refers to

rewards existing now in the heavenly places in what they refer to as the believer's heavenly bank account. The Copelands also believe in a literal hundredfold return on monetary and other gifts made for the gospel's sake. Mark 10:29-30 **The Ultimate Evidence** Larry Vern Newman, 2009-01-01. It is quite an assertion to claim that one is filled with the Spirit of God. What does a person offer as proof that this is actually true? Pentecostals at the turn of the twentieth century read the Bible, debated the issue, and then proposed an evidence they thought the scriptures indicated was the primary verification of Spirit baptism. It was determined that the evidence to prove one had been baptized with the Holy Spirit was that the person had spoken in an unknown language as prompted by the Holy Spirit. The primary evidence of Spirit baptism, it was concluded, was the expression of a charism. It was charismatic. In *The Ultimate Evidence*, Larry Newman argues that the initial evidence doctrine as it stands is inadequate and needs to be revisited and adjusted. Without discrediting or devaluing speaking in tongues, Newman points the reader to the ultimate evidence of Spirit baptism, the more excellent way. Gathering from historical, cultural, and biblical sources, Dr. Newman argues that the biblical evidential paradigm is ethical and issues forth from the agape of the Cross. It is the ethical dimension of the Christian life that is primary. In 1 Cor. 13:1, Paul wrote, "If I speak in the tongues of men and of angels but have not love, I am only a resounding gong or a clanging cymbal." Religious Bodies, 1936. United States. Bureau of the Census, 1941.

As recognized, adventure as with ease as experience approximately lesson, amusement, as well as pact can be gotten by just checking out a book **Assemblies Of God Doctrine** furthermore it is not directly done, you could endure even more in the region of this life, around the world.

We come up with the money for you this proper as without difficulty as easy exaggeration to acquire those all. We find the money for Assemblies Of God Doctrine and numerous book collections from fictions to scientific research in any way. in the middle of them is this Assemblies Of God Doctrine that can be your partner.
